

Earth Day Floral Mural, 25 pages

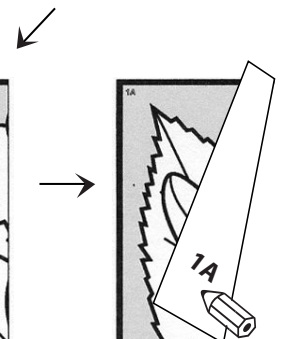

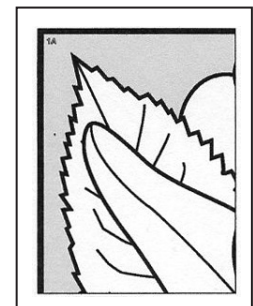

© 2016 artprojectsforkids.org

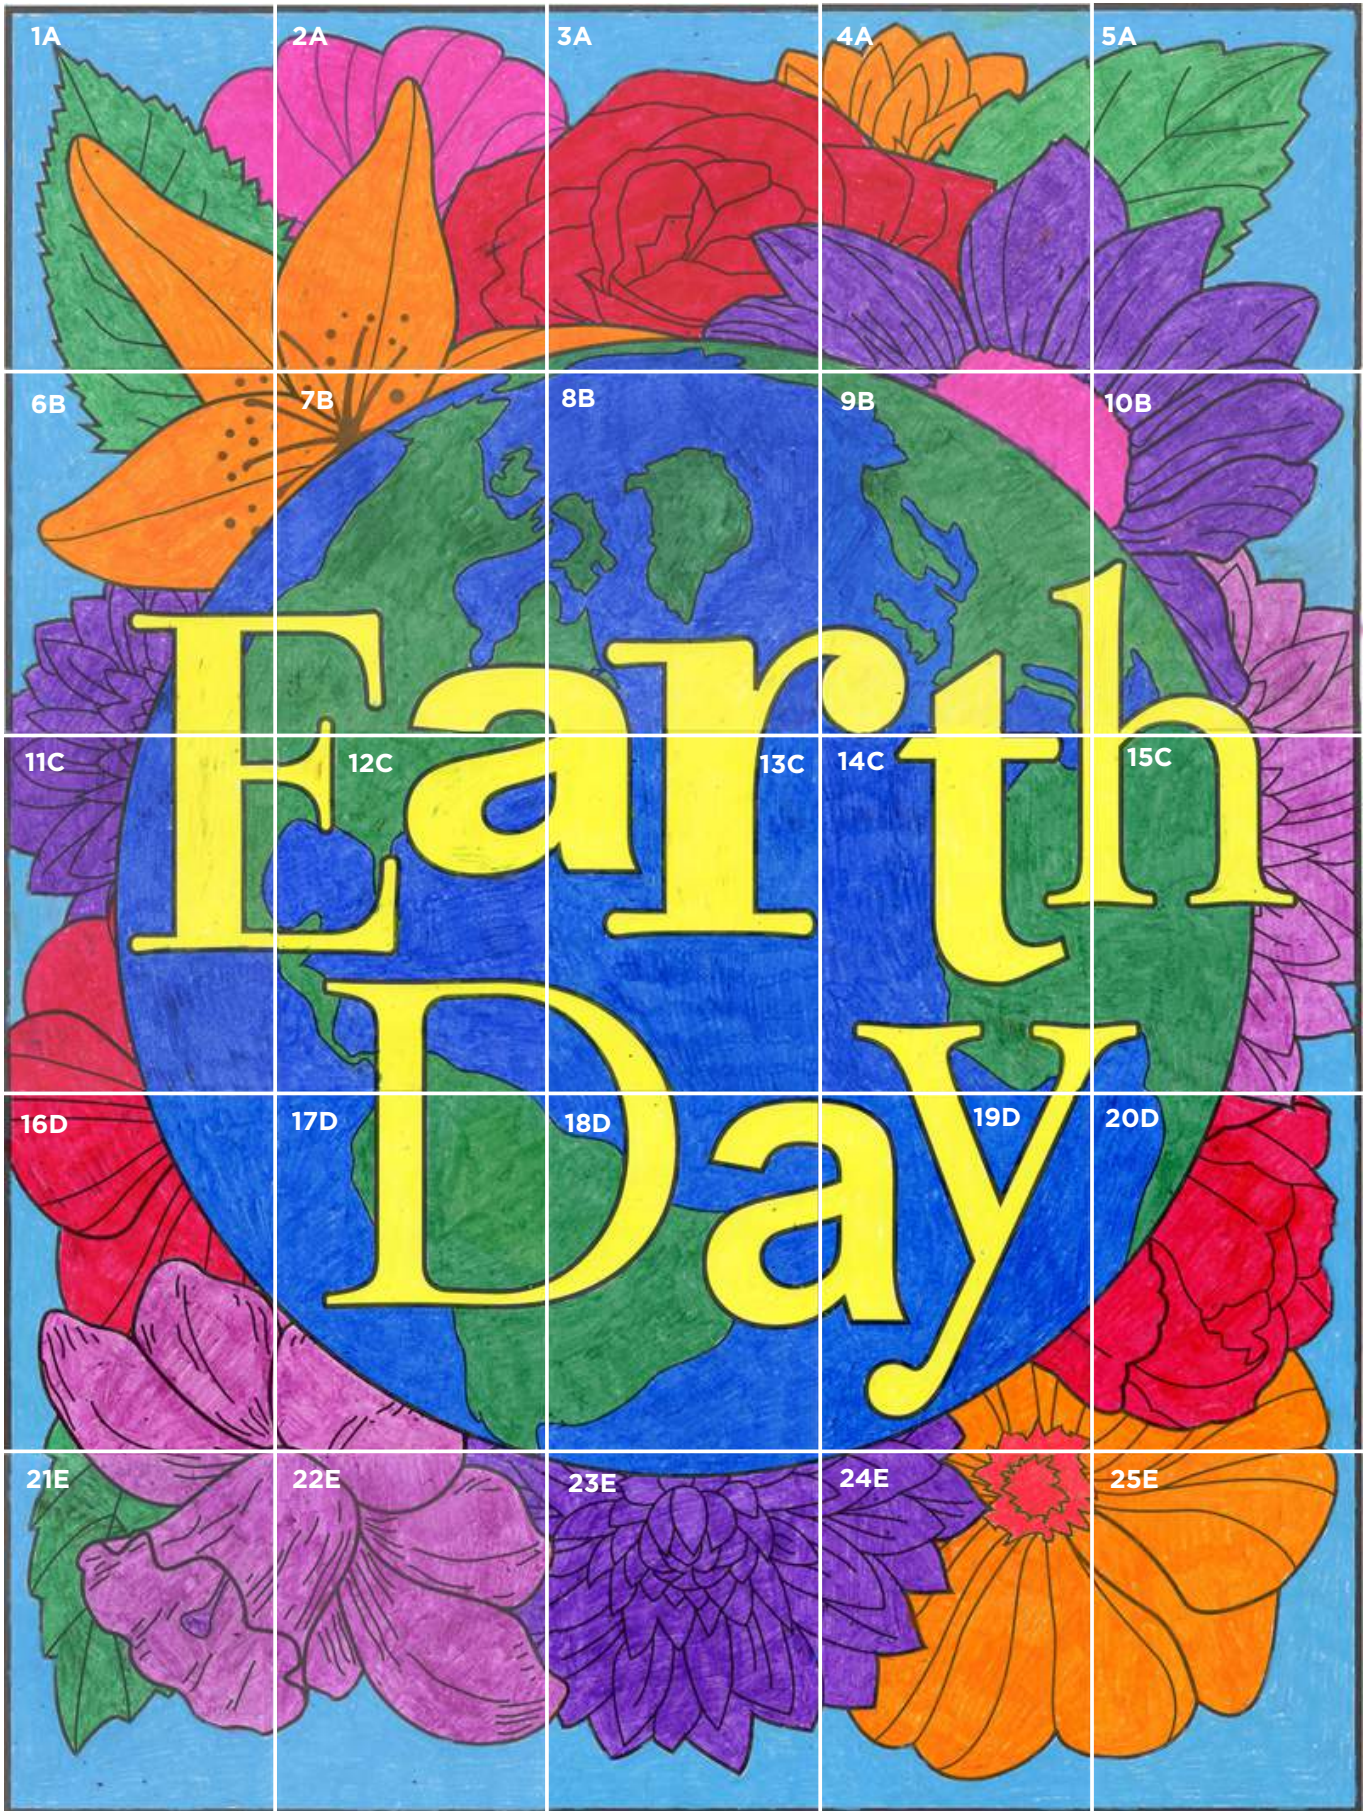

Measures 36" x 48" when complete

Directions to Assemble Mural

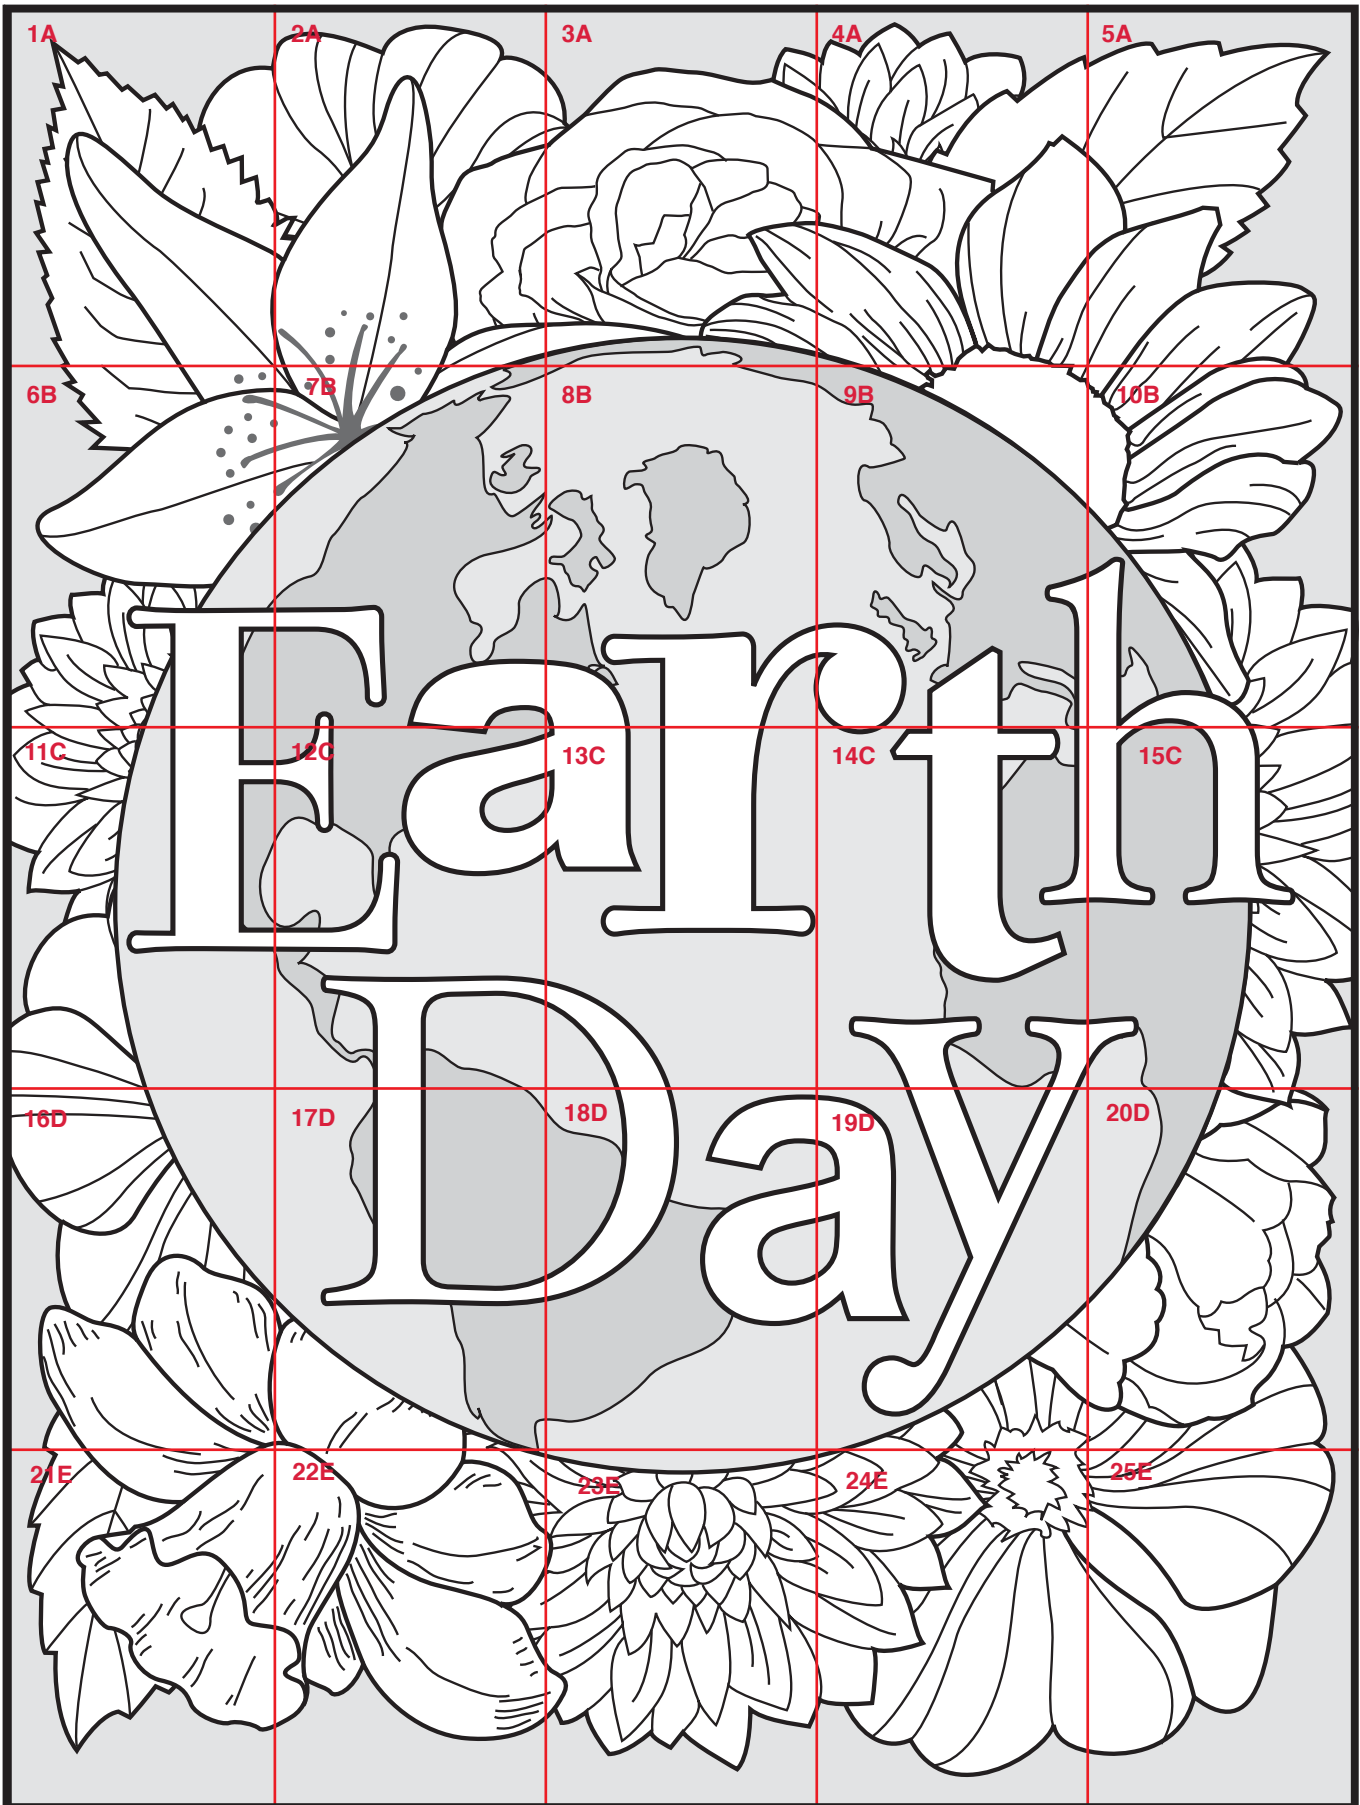

1. Print mural pages 4 – 28 on a heavy white paper. I recommend 67 lb. cover stock.
IMPORTANT: If any lines appear to be missing on your printouts, you may be experiencing a problem that occurs on occasion with IBM versions of Adobe Acrobat. When sending a pdf file to print, the settings page will open. Click on the "ADVANCED" button and check "PRINT AS IMAGE". This should resolve any printing issues.
2. Trim out each page along the cutline as shown. A papercutter works best to maintain clean, square cuts.
3. Before coloring, be sure to copy each page number on the back of each paper.
4. Students color in each mural page. Print the Color Guide for students to refer to when coloring. My sample mural uses 24-Pack Portfolio® Oil Pastels.
5. Lay out all finished pages face up to check content.
6. Lay out face down. *Be careful to reverse the page sequence for proper orientation.* Cover each seam with strong masking tape and display your mural.
