Earth Day Floral, 25 pages

© 2018 artprojectsforkids.org

DIMENSIONS

Finished 36 page dimensions: 36" x 48"

MATERIALS

- Card stock paper, 67 lb. recommended
- Oil pastels, crayons, markers or paint
- Paper cutter
- Masking tape

PREP

- **Print mural pages 1 - 25 on a heavy white paper.**

If any lines appear to be missing on your printouts, you may be experiencing a problem that occurs on occasion with IBM versions of Adobe Acrobat. When sending a pdf file to print, the settings page will open. Click on "ADVANCED" button and check "PRINT AS IMAGE". This should resolve any issues.

- **Trim out each page along the outer black edge.**

A papercutter works best to maintain clean cuts.

- **Copy page number on the back of each paper.**

It will get hidden when students color.

MURAL ASSEMBLY

- 1. Students color each mural page.**

You can print the Color Guide for students or use the blank guide to write in your own colors. Portfolio® Oil Pastel color names are used on the Color Guide.

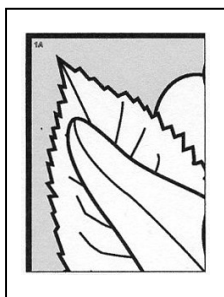

- 2. Lay out finished pages face up.**

Check content to see all pages are accounted for.

- 3. Lay out finished pages face down.**

Be careful to reverse the page sequence for proper final orientation.

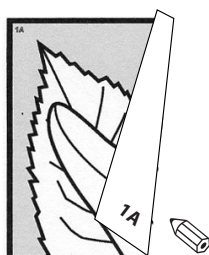

- 4. Tape each seam heavily with masking tape.**
