## DIMENSIONS

Finished 15 page dimensions: 36" x 29"

## MATERIALS

- Card stock paper, 67 lb. recommended
- Oil pastels, crayons, markers or paint
- Paper cutter
- Masking tape

## PREP

**Print mural pages 1 - 15 on a heavy white paper.**

If any lines appear to be missing on your printouts, you may be experiencing a problem that occurs on occasion with IBM versions of Adobe Acrobat. When sending a pdf file to print, the settings page will open. Click on "ADVANCED" button and check "PRINT AS IMAGE". This should resolve any issues.

• **Trim out each page along the outer black edge.**

A papercutter works best to maintain clean cuts.

• **Copy page number on the back of each paper.**

It will get hidden when students color.

## MURAL ASSEMBLY

**1. Students color each mural page.**

Stabilo Power markers were used for the following Color Guide. I recommend coloring randomly and not worrying about matching shapes up.

**2. Lay out finished pages face up.**

Check content to see all pages are accounted for.

**3. Lay out finished pages face down.**

Be careful to reverse the page sequence for proper final orientation.

**4. Tape each seam heavily with masking tape.**
