A stylized, grayscale illustration of a landscape. In the foreground, a dark, curved shape represents the horizon or a path. Above it, a light gray silhouette of a tree with a pointed top stands on the right. In the background, a range of jagged, mountain-like peaks is visible. The overall style is minimalist and graphic.

Endangered Animals, 36 Page Mural

© 2018 artprojectsforkids.org

DIMENSIONS

Finished 36 page dimensions: 48" x 48"

MATERIALS

- Card stock paper, 67 lb. recommended
- Oil pastels, crayons, markers or paint
- Paper cutter
- Masking tape

PREP

- **Print mural pages 1 - 36 on a heavy white paper.**

If any lines appear to be missing on your printouts, you may be experiencing a problem that occurs on occasion with IBM versions of Adobe Acrobat. When sending a pdf file to print, the settings page will open. Click on "ADVANCED" button and check "PRINT AS IMAGE". This should resolve any issues.

- **Trim out each page along the outer black edge.**

A papercutter works best to maintain clean cuts.

- **Copy page number on the back of each paper.**

It will get hidden when students color.

MURAL ASSEMBLY

1. **Students color each mural page.**

Each page has color codes to follow. You can print the Color Guide for extra help, or use the blank guide to write in your own colors. Portfolio® Oil Pastel color names are used on the Color Guide.

2. **Lay out finished pages face up.**

Check content to see all pages are accounted for.

3. **Lay out finished pages face down.**

Be careful to reverse the page sequence for proper final orientation.

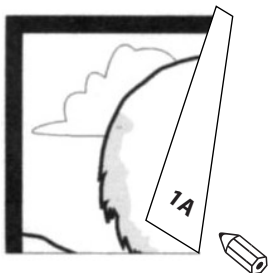

4. **Tape each seam heavily with masking tape.**
