# Draw an Easy Seahorse
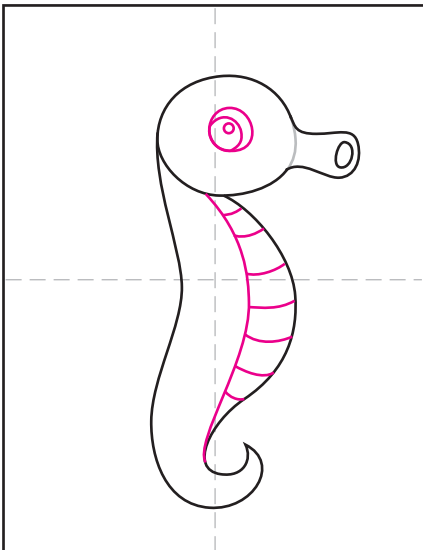

1. Draw an oval and curvy back line.
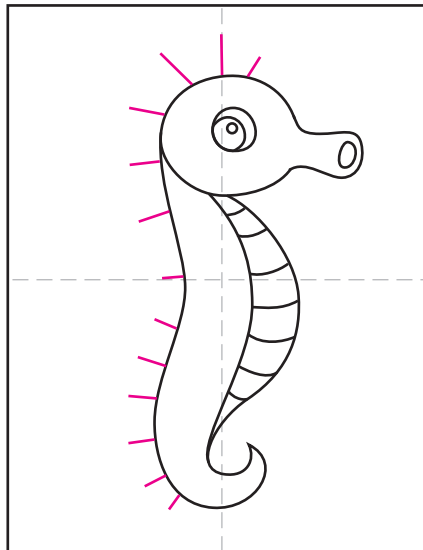

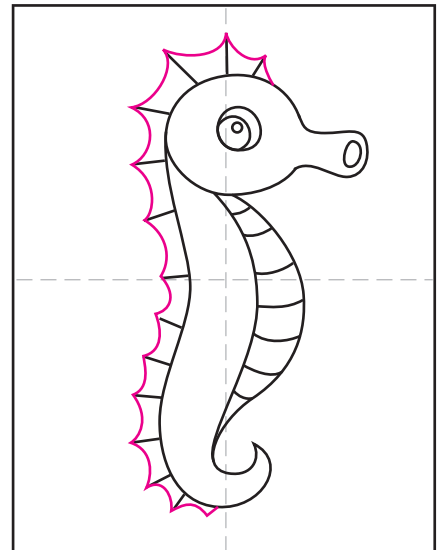

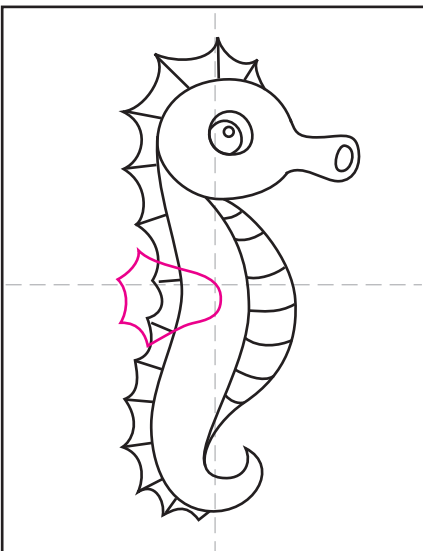

2. Add a curvy front belly line.

3. Add the mouth.

4. Erase the line, add eye and belly lines.

5. Draw the spikes along the back.

6. Connect the spikes with a curved line.

7. Draw a wing shape.

8. Erase inside, add lines and seaweed.

9. Trace with a marker and color.
