

# Draw Like Gustav Klimt

1. Draw a line with 3 curls at the top.

2. Add two larger curls below.

3. Turn each curl into a branch and fill with color.

4. Add an opposite curl to the end of each branch.

5. Fill in any empty spaces with smaller curls. Thicken the trunk and branches.

6. Draw abstract triangle leaves all around on the branches.

7. Add lots of round abstract circle flowers.

8. Draw lots of stars in extra spaces. Add decorations for the grass below.

9. Keep adding more decorations until there is no more room.
