

How to Make a Matisse Collage

by Art Projects for Kids

“Creole Dancer” by Henri Matisse

1. Cut at least four large blocky shapes from colored paper. Overlap and glue to black paper. Leave some black paper showing.

2. Cut and glue at least five medium and large shapes, such as stars, swirls, zigzags and blobs.

3. Cut and glue at least 8 little triangles and squarish shapes, sprinkled around the collage.
