CHINESE SNAKE

Art Projects for Kids.org

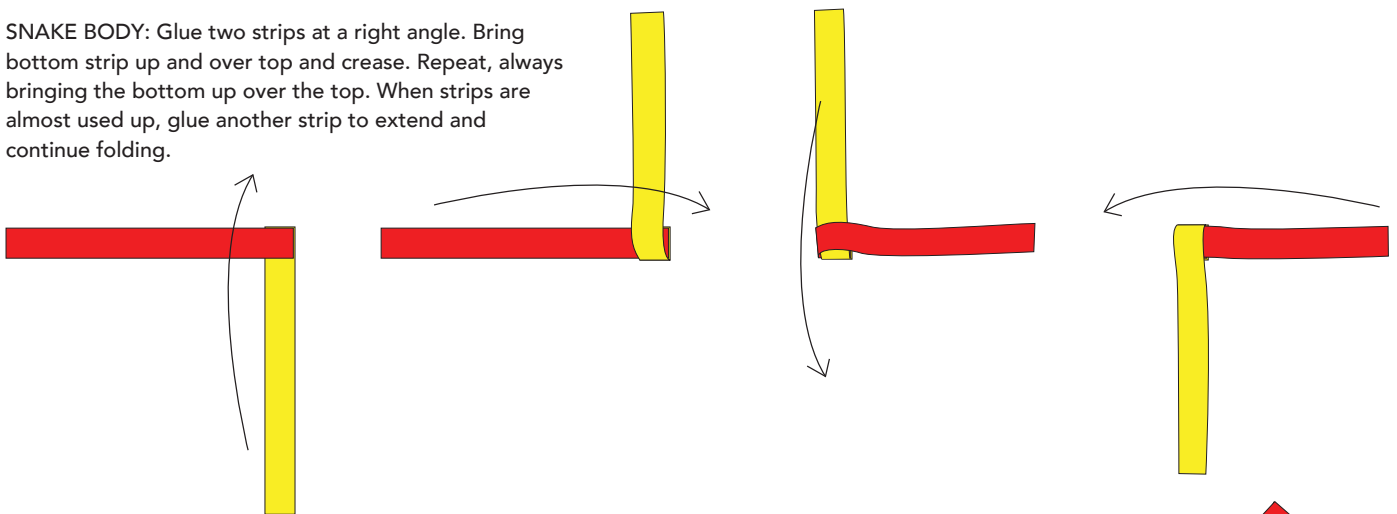

SUPPLIES:

- Brightly colored copy paper, 24 lb.
- White cardstock paper
- Glue stick
- Sharpie marker
- Hole punch, 1"
- Paper cutter (recommended)

PREP: Use paper cutter to cut lots of 2" x 11" strips of paper for the body. Cut lots of 7" x 3" rectangles the heads.

SNAKE BODY: Glue two strips at a right angle. Bring bottom strip up and over top and crease. Repeat, always bringing the bottom up over the top. When strips are almost used up, glue another strip to extend and continue folding.

HEAD: Glue two 7" x 3" rectangles together. Fold and cut to make an oval shape. Use a 1" paper punch to make two white eyes. Draw pupils with a black marker. Glue to head, draw nose. Cut and glue white triangle teeth and a tongue.
