

Ladybug

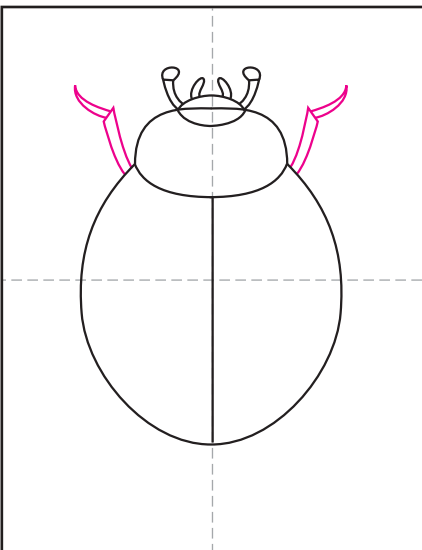

1. Draw the "pronotum".

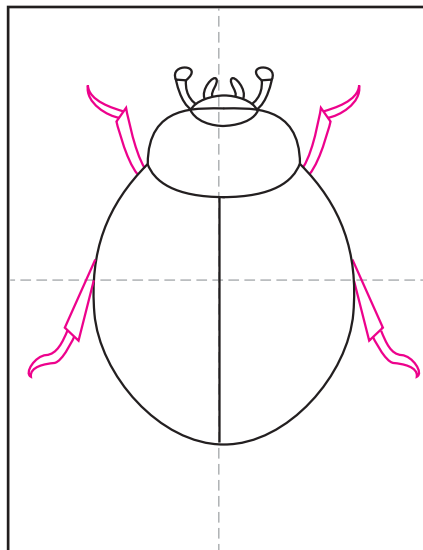

2. Draw "elytra" below.

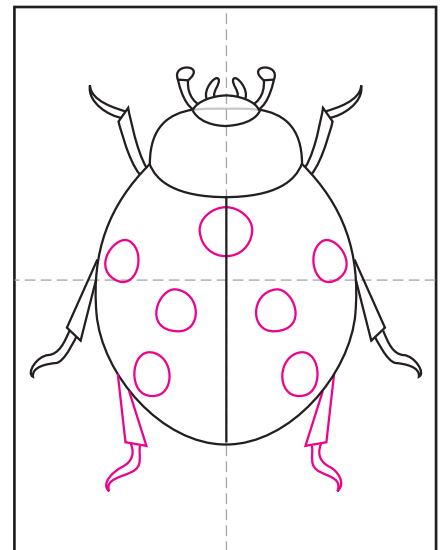

3. Add the head and antennae.

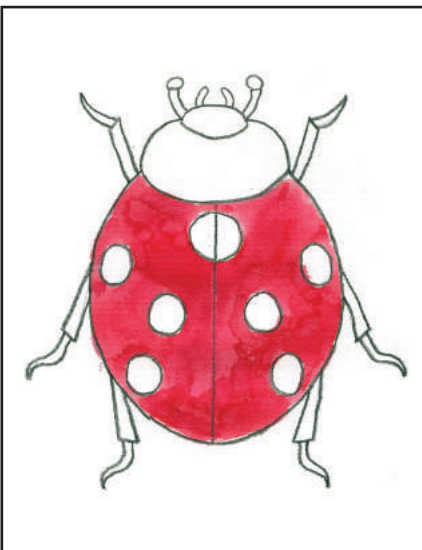

4. Draw two front legs.

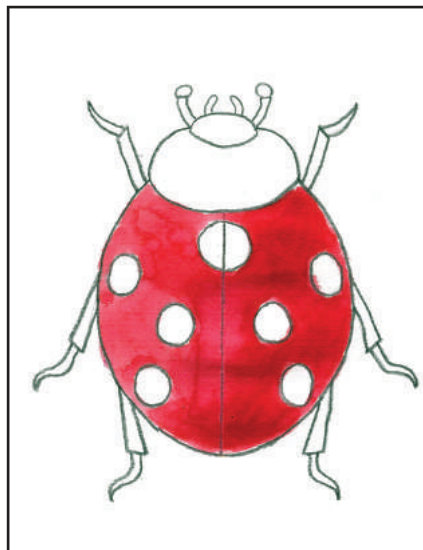

5. Add two middle legs.

6. Add back legs, and 7 spots.

7. Trace with black crayon. Paint elytra red.

8. Add another layer of red on one side to create shadow.

9. Paint the rest black, and the background with a contrasting color.
