

Draw Santa's Sleigh

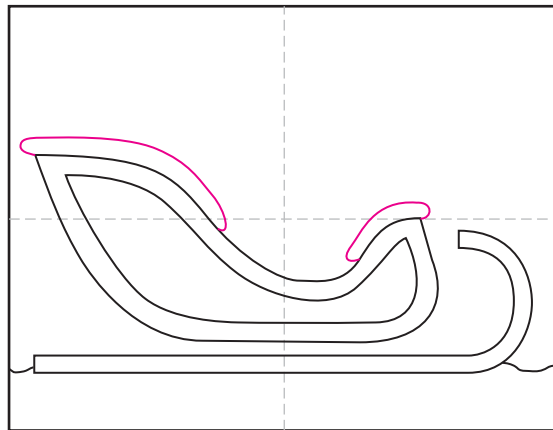

1. Draw a cane shape laying on its side.

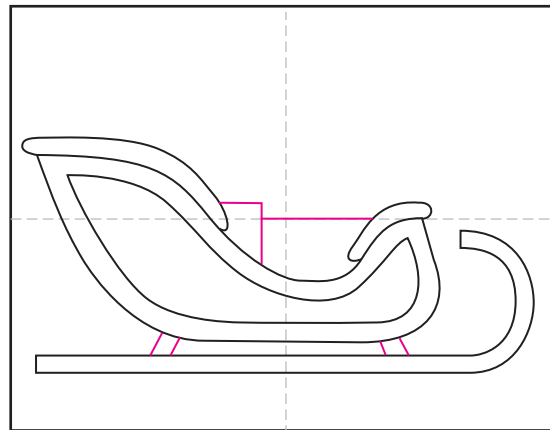

2. Draw a curvy sled shape above it.

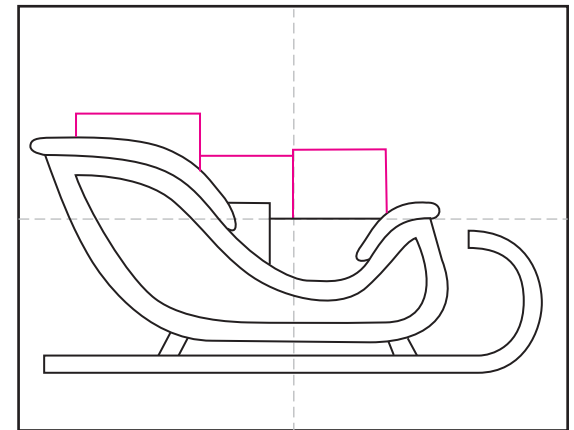

3. Copy the same shape inside.

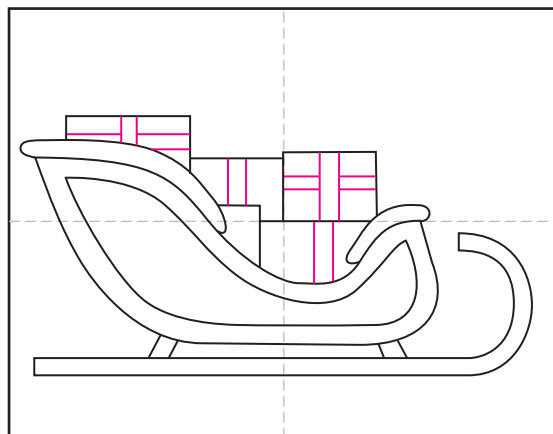

4. Add extra edging to front and back.

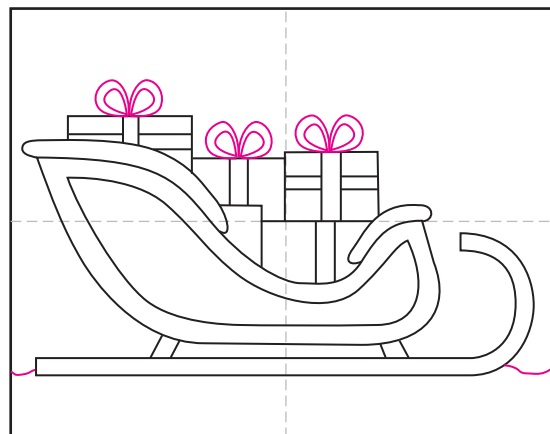

5. Connect and start to draw packages.

6. Add another row of packages.

7. Draw ribbon lines on the packages.

8. Finish with bows and a snow line.

9. Trace with a black marker and color.
