

# Draw an Easy Hippopotamus

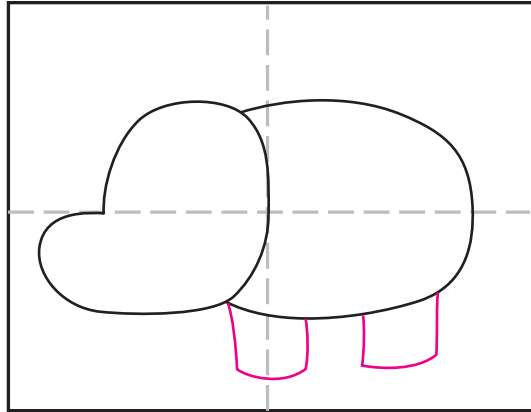

1. Make guide lines. Draw the top of head.

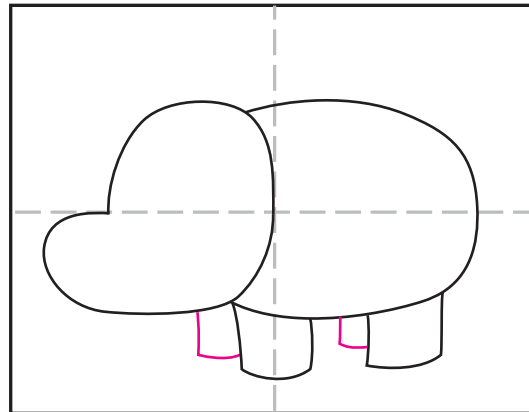

2. Draw the bottom of the head.

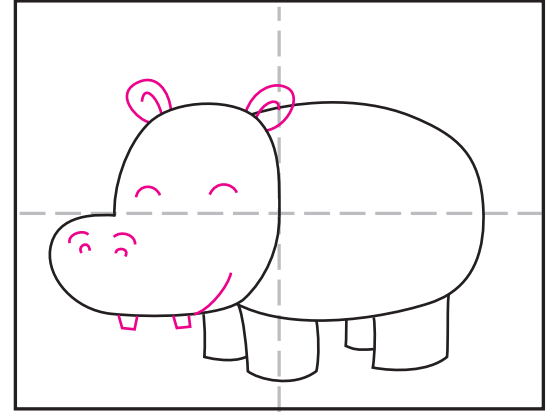

3. Draw the body.

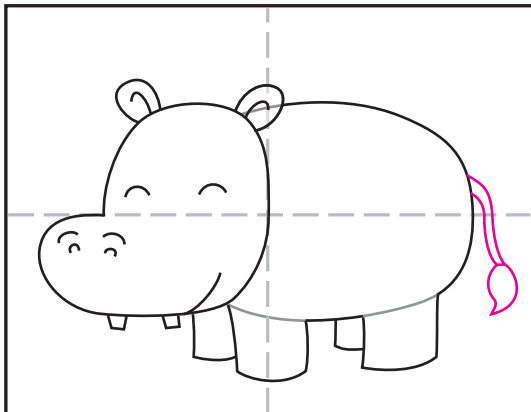

4. Draw the front two legs.

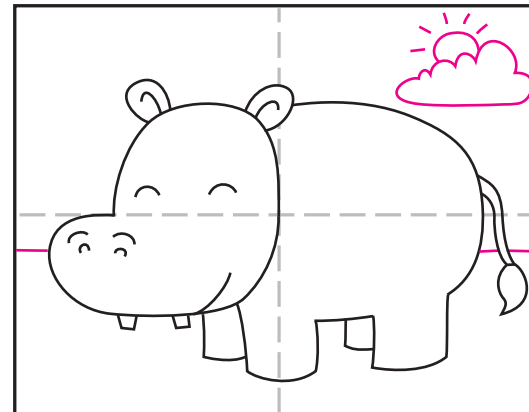

5. Draw the back two legs.

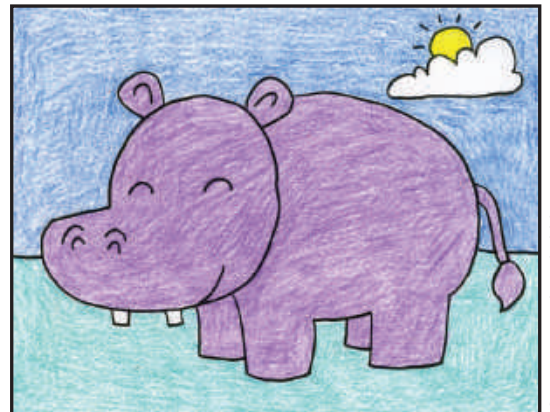

6. Add the eyes, ears, nose, mouth, teeth.

7. Add a tail. Erase the light gray leg lines.

8. Draw the horizon and clouds.

9. Trace with a marker and color.
