

Draw a Kangaroo and Baby

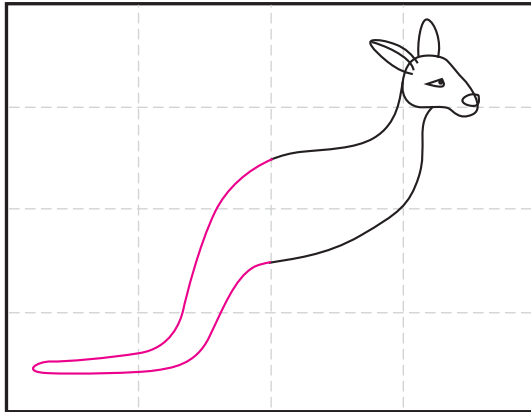

1. Print guidelines (pg 2). Draw the head.

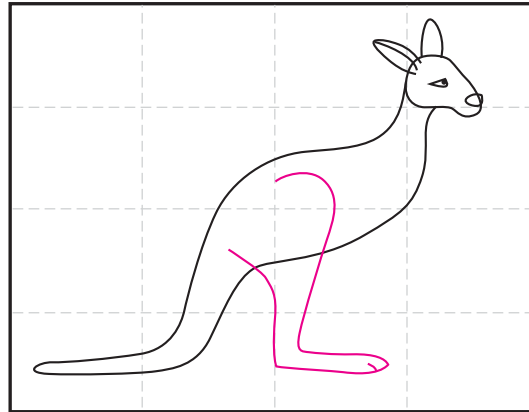

2. Add the ears.

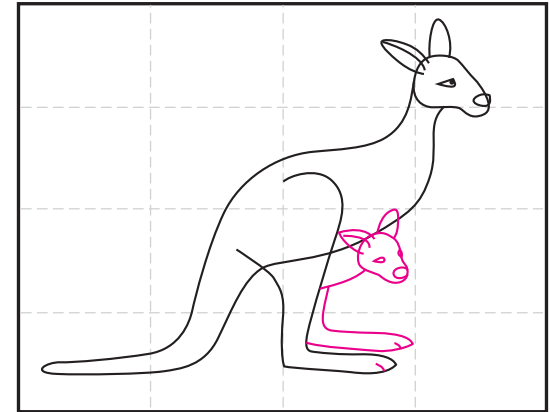

3. Start the body.

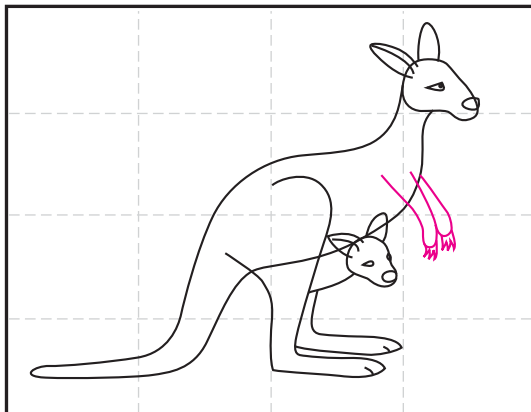

4. Finish the body, ending with the tail.

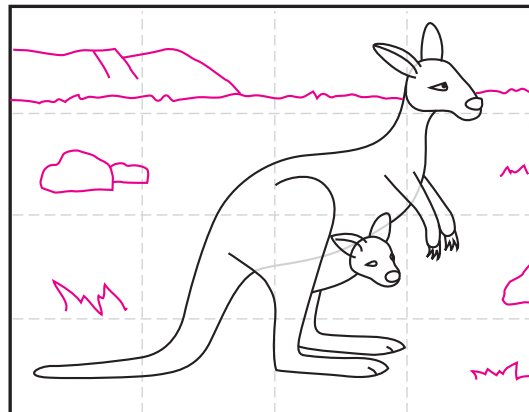

5. Draw one large leg.

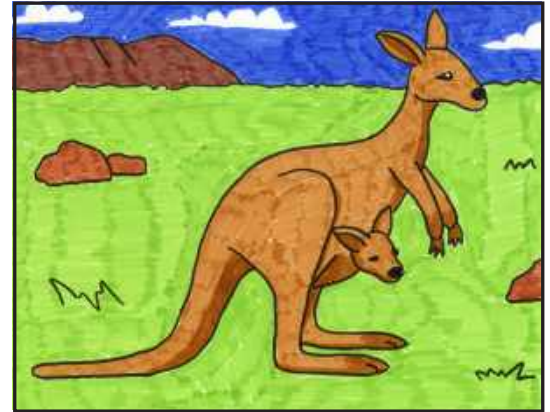

6. Add the baby, and then the other leg.

7. Draw two arms.

8. Erase extra lines, and add background.

9. Trace with a black marker and color.
