

# Draw a Minecraft Selfie

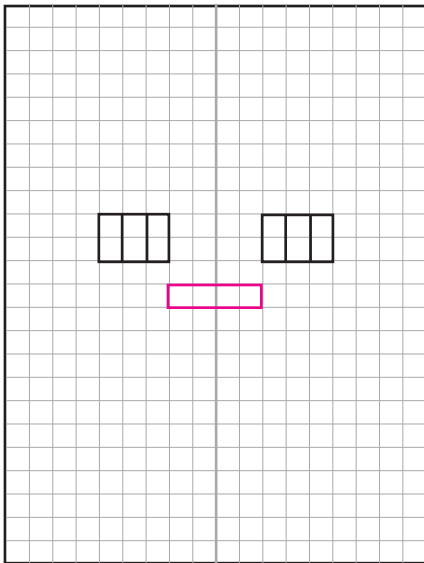

Supplies: Grid paper, Black marker, Crayons

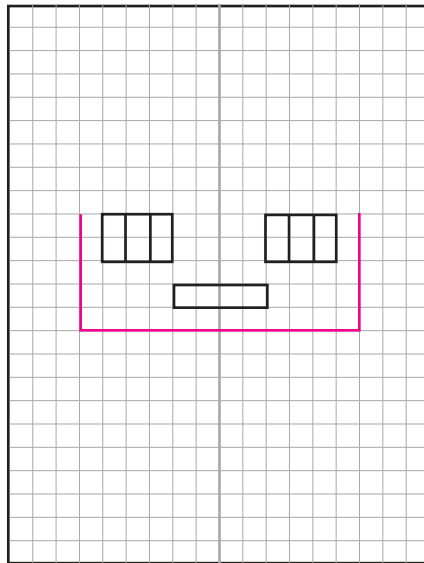

1. Count boxes to find the center line. Use math or estimate and check.

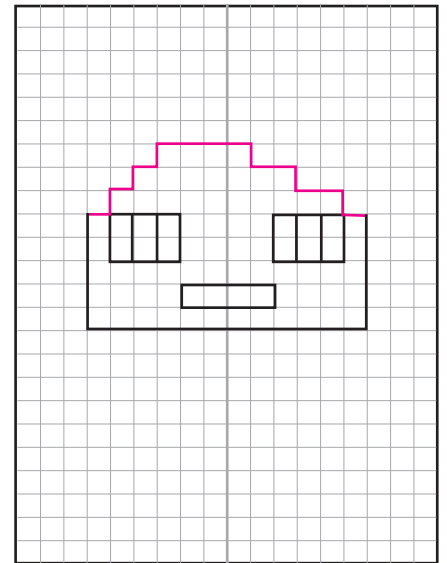

2. Draw two symmetrical eyes.

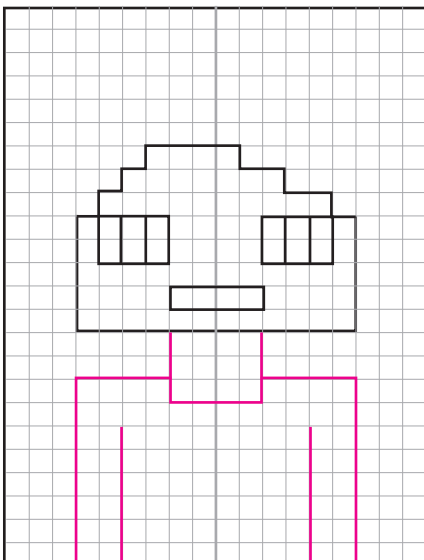

3. Draw a symmetrical mouth.

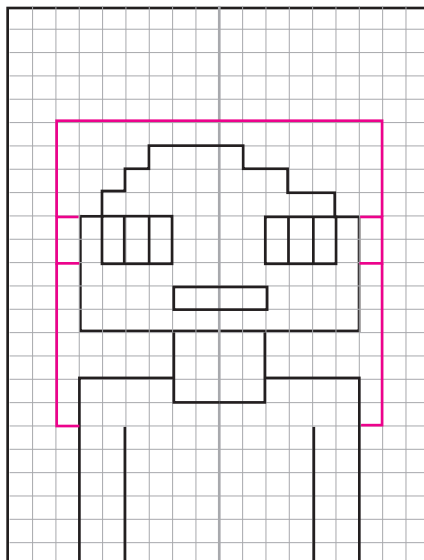

4. Start the bottom of the head.

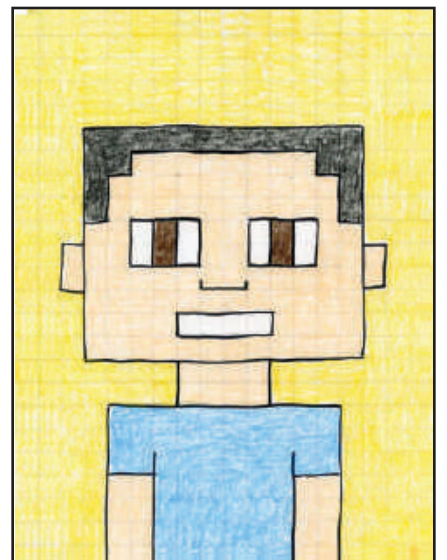

5. Draw the hair line.

6. Draw a neck and body.

7. Finish the outer hair line.

Example of a Minecraft boy selfie.
