

# Draw a Camel

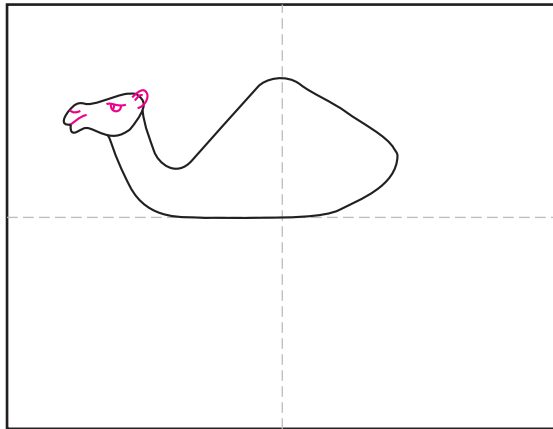

1. Make guidelines. Start the body.

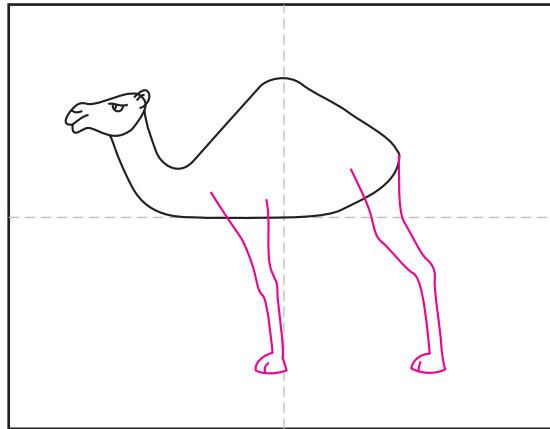

2. Add a neck.

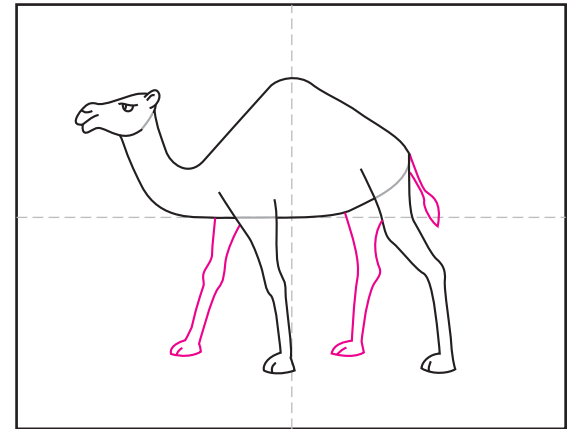

3. Draw the head shape on top of the neck.

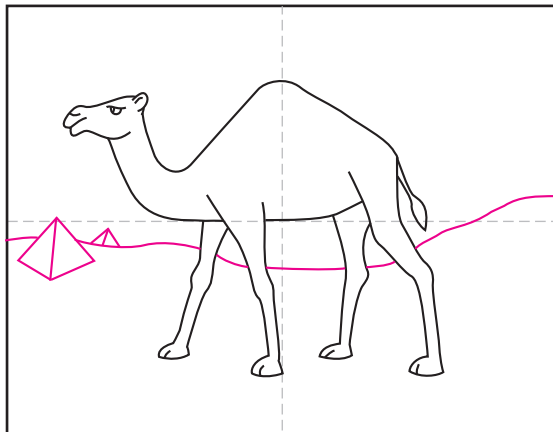

4. Add the mouth, eye and ear.

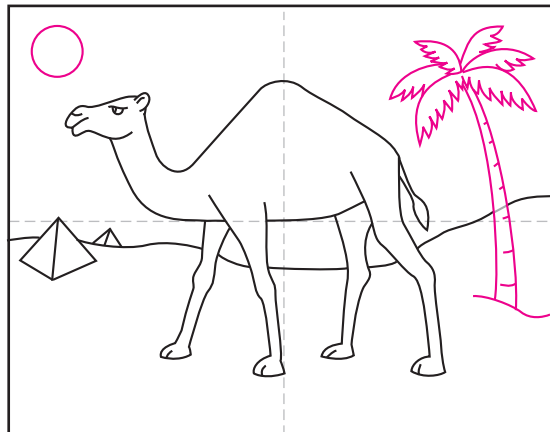

5. Draw two legs attached to the body.

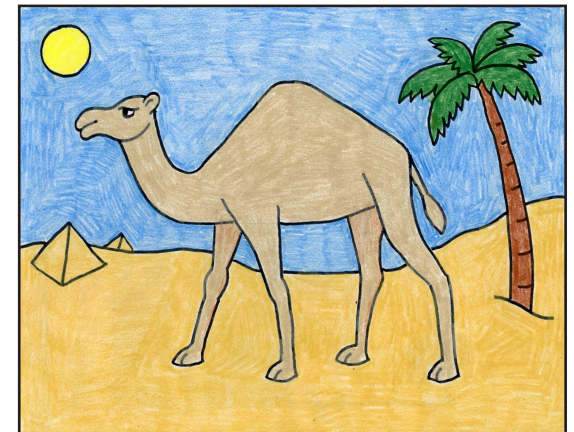

6. Draw back legs and tail. Erase gray lines.

7. Draw a horizon sand line with pyramids.

8. Add a palm tree and sun.

9. Trace with a marker and color.
