

Mini Blue Planet, 4 page Mural

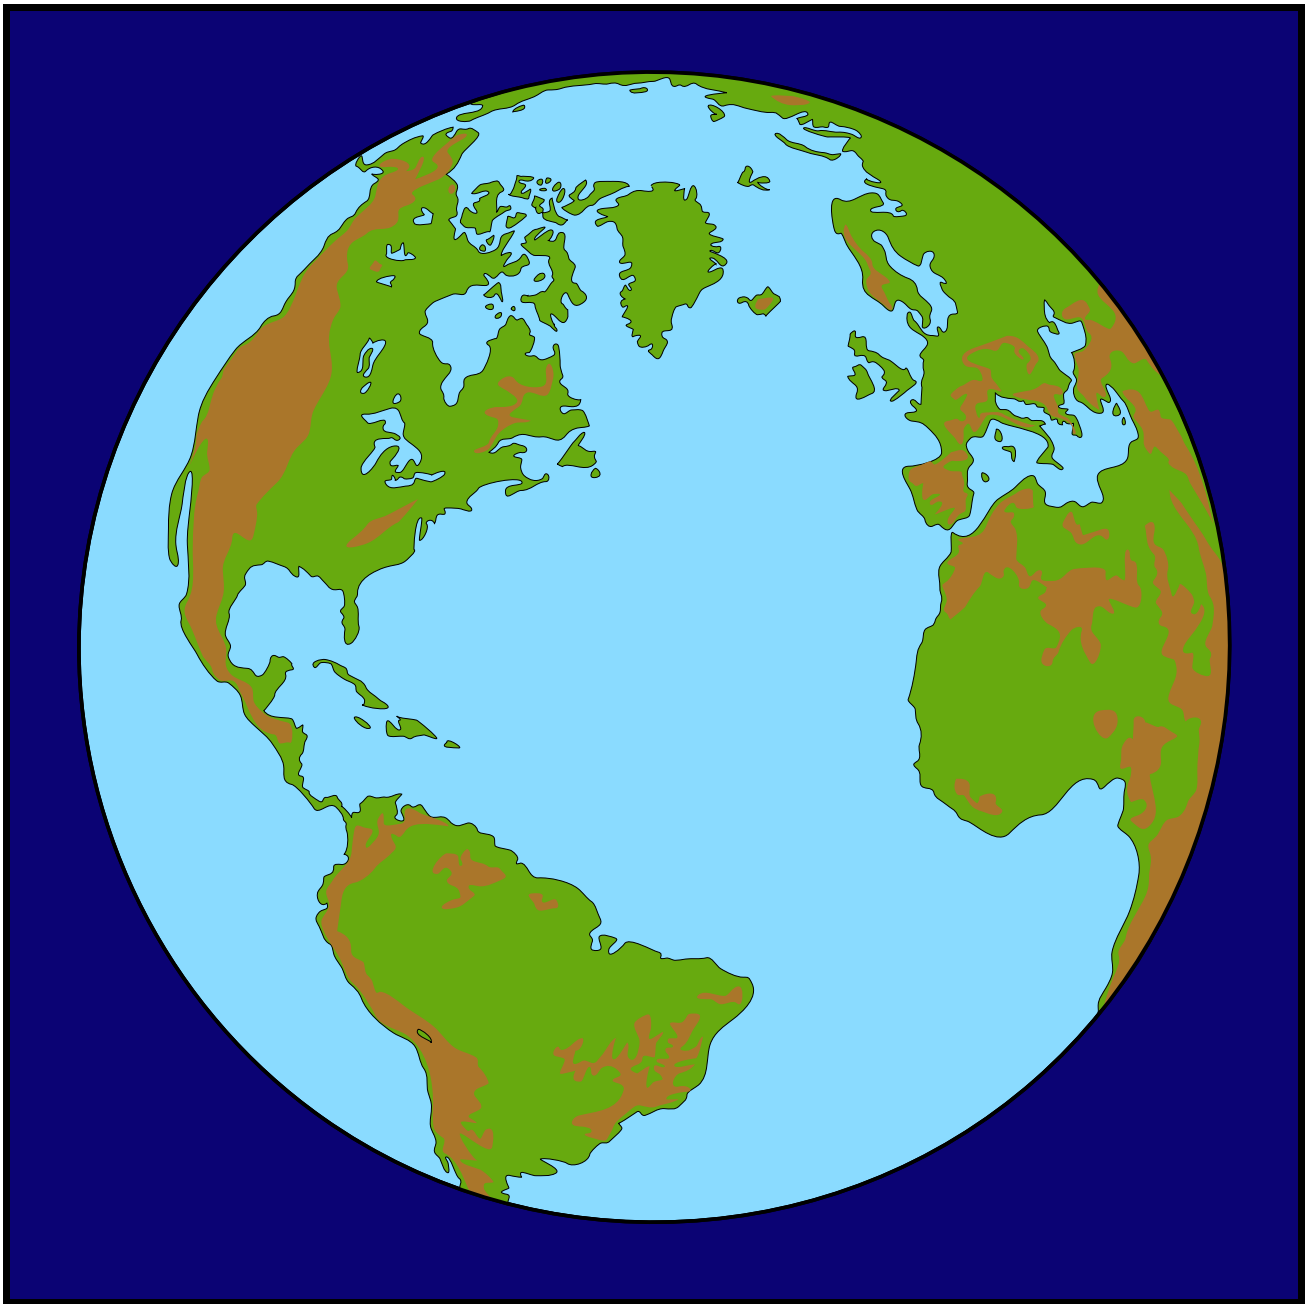

Directions

1. Print pages 3 – 6 on a heavy white paper. I recommend 67 lb. cover stock.
IMPORTANT: If any lines appear to be missing on your printouts, you may be experiencing a problem that occurs on occasion with IBM versions of Adobe Acrobat. To fix, send the pdf file to print and the SETTINGS page will open. Click on the ADVANCED button and check PRINT AS IMAGE. This should resolve any problems that you may be experiencing.
2. Trim each page along the cutline, as shown. A papercutter works best to maintain clean, square cuts.
3. Have your students color in the pages. My sample murals are all colored with Portfolio® Oil Pastels.
4. Lay out face down. *Be careful to reverse the page sequence for proper orientation.* Cover each seam with strong masking tape and display your mural as desired.
