Draw an Alligator

1. Draw the front of the body.
2. Finish with the back of the body.
3. Add two legs on one side.
4. Add two legs on other side.
5. Draw two nostrils and two eyes.
6. Add teeth and back ridges.
7. Draw a horizon line and water edge.
8. Add grass in the front. Erase gray lines.
9. Trace with a marker and color.
