

Draw a Goldfish

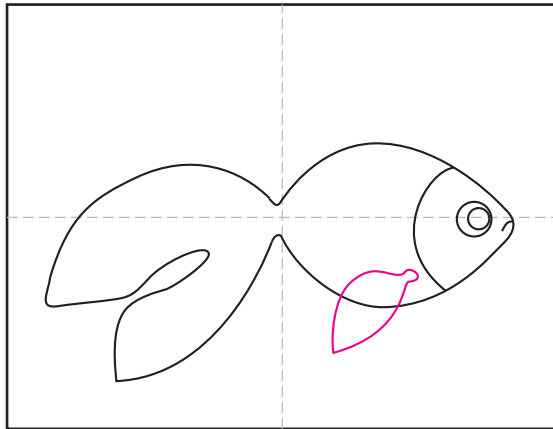

1. Draw the main fish body.

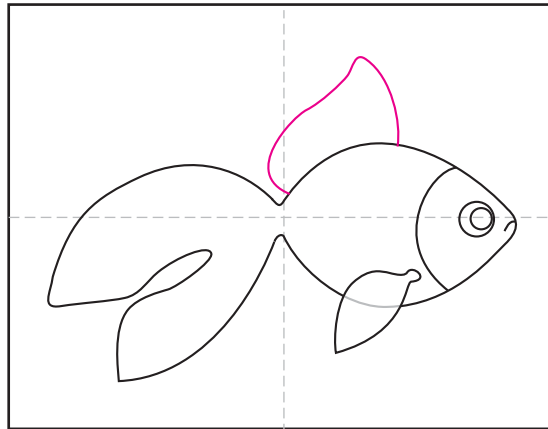

2. Add a flowing tail.

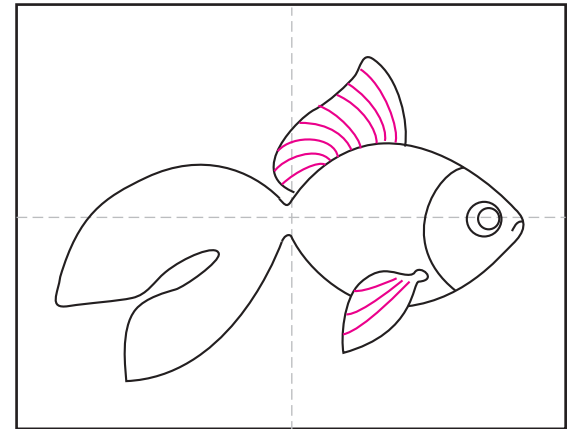

3. Draw the face with an eye and mouth.

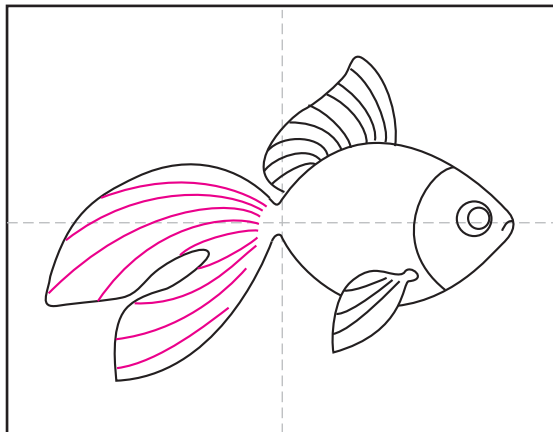

4. Add a pectoral fin.

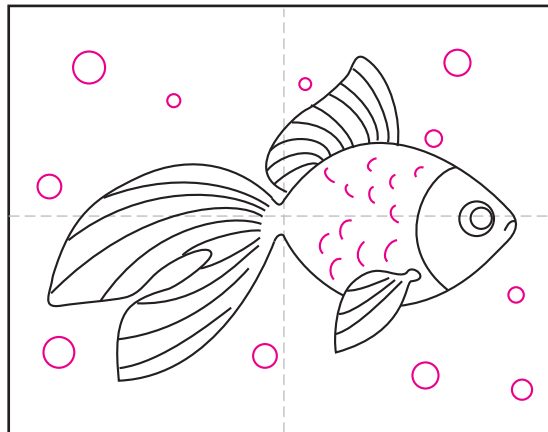

5. Erase the gray line and add dorsal fin.

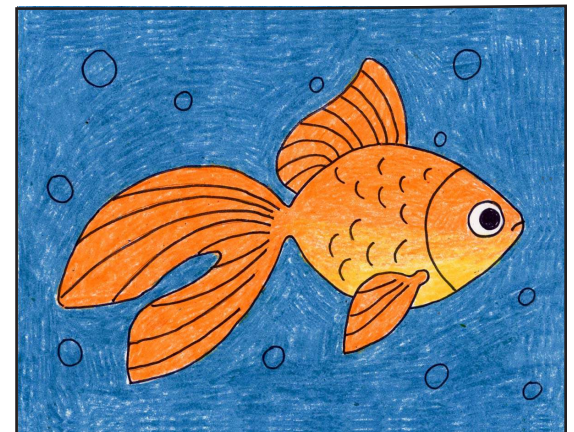

6. Draw lines inside both fins.

7. Add lines to the tail.

8. Add some scales and bubbles in the water.

9. Trace with a marker and color.
