

# Draw a Mosque

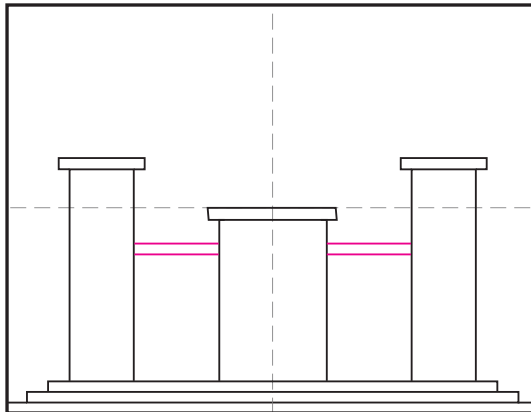

1. Draw ground line and two steps above.

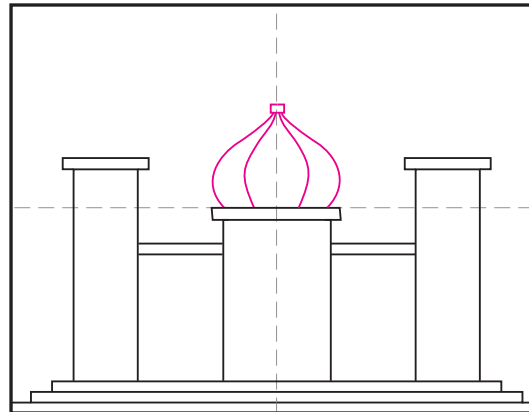

2. Start the main entry in the center.

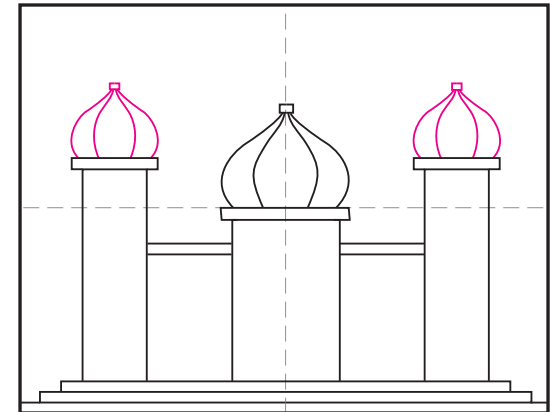

3. Add the two side pillars.

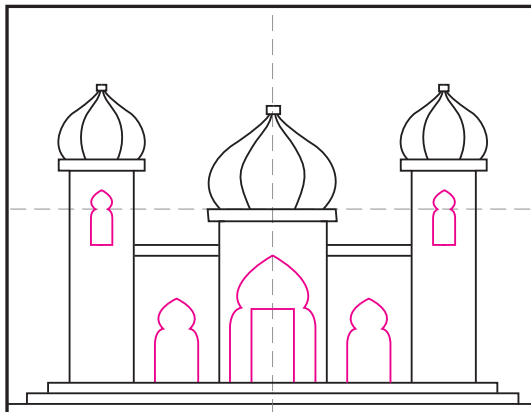

4. Connect the two pillars.

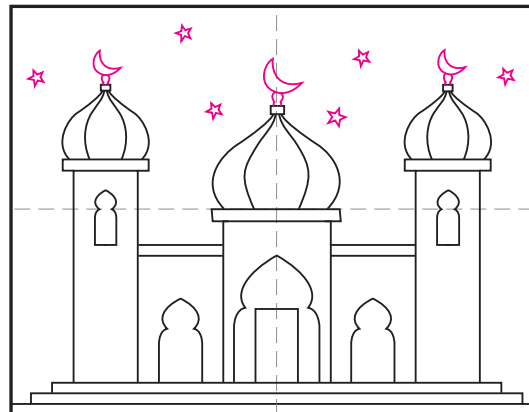

5. Draw a large dome in the center.

6. Add two smaller domes to the pillars.

7. Add the doors and windows.

8. Finish domes with crescents. Add stars.

9. Trace with a marker and color.
