

# Mom and Baby Bird

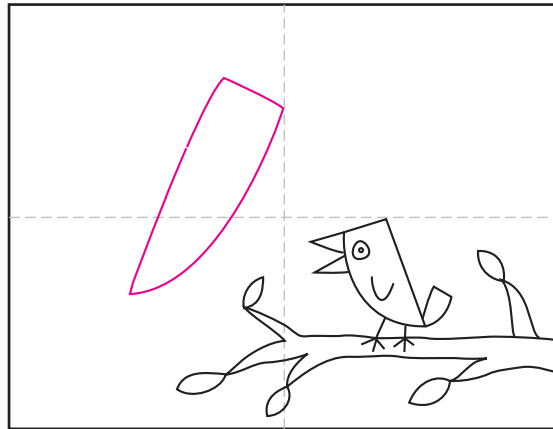

1. Draw a branch.

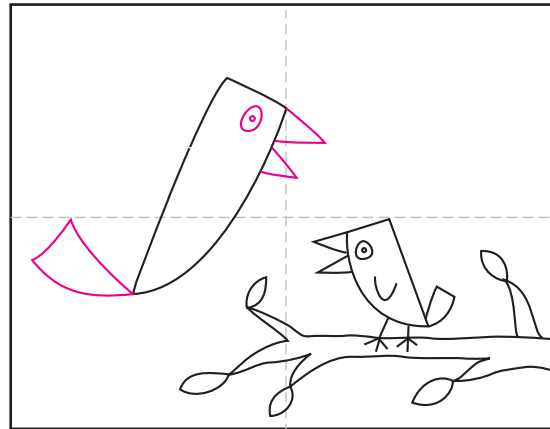

2. Start the small baby bird.

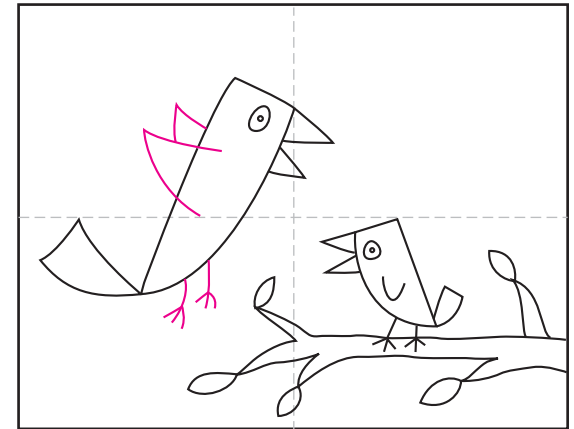

3. Add the beak, wing, eye and tail.

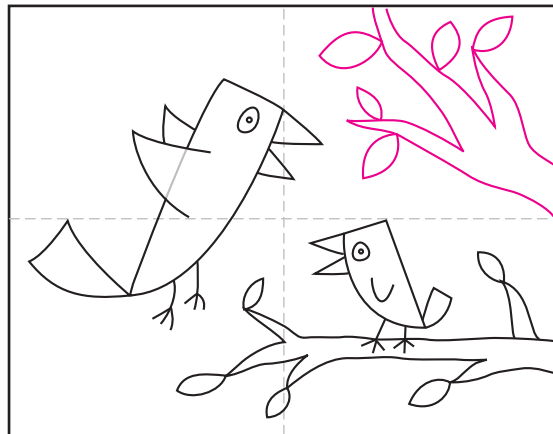

4. Start the large bird.

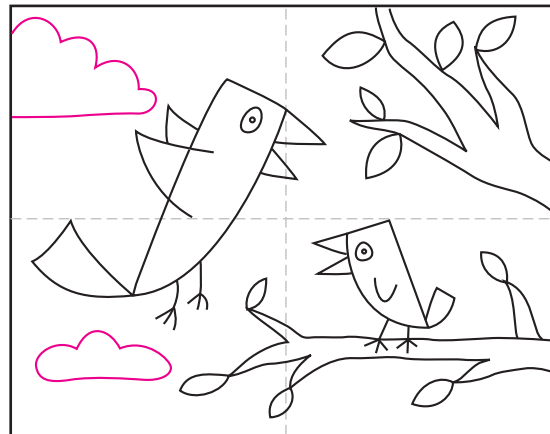

5. Add beak, eye and tail.

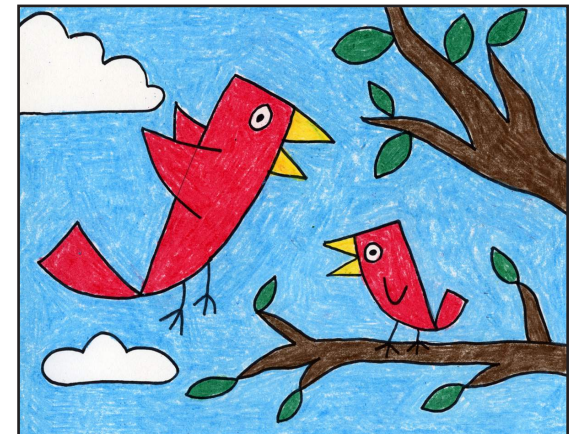

6. Finish the large bird with wings and feet.

7. Erase the inside wing line. Draw a branch.

8. Add clouds in space left over.

9. Trace with a marker and color.
