

Draw a Chinese Dragon

1. Fold or print guide lines. Start the body.

2. Add a matching curve line.

3. Draw the head, open mouth and tongue.

4. Add two legs and feet on close side.

5. Add two legs and feet on the far side.

6. Draw the belly line with stripes.

7. Add the spikes on the back.

8. Finish with a fiery looking tail.

9. Trace with a marker and color.

Chinese Dragon
