

Draw a Shark

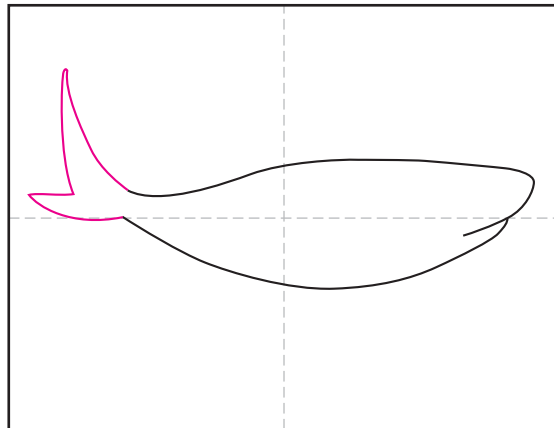

1. Start the top of the shark body.

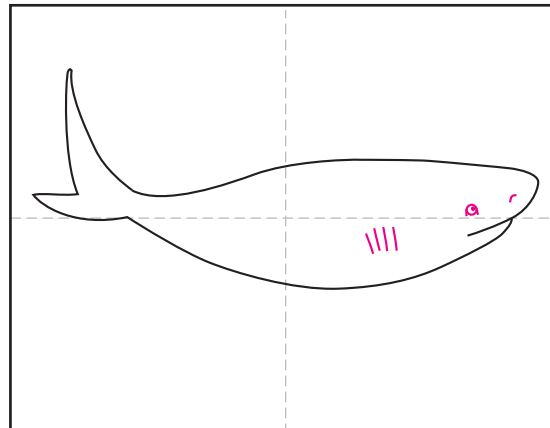

2. Add the bottom.

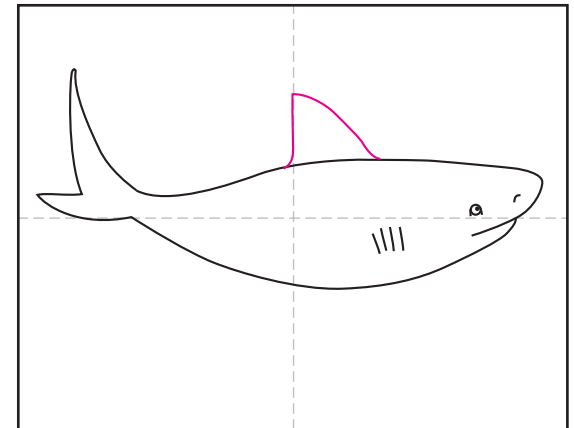

3. Continue the body towards the tail.

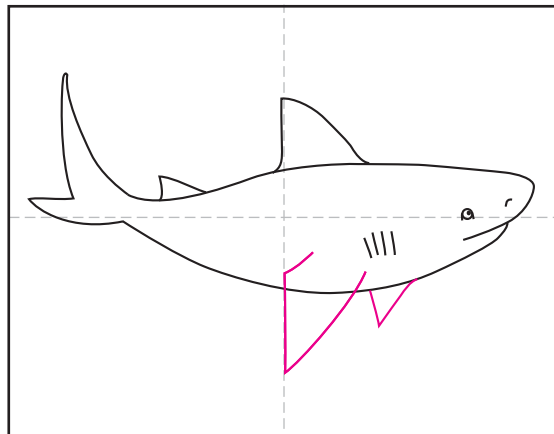

4. Add a tail.

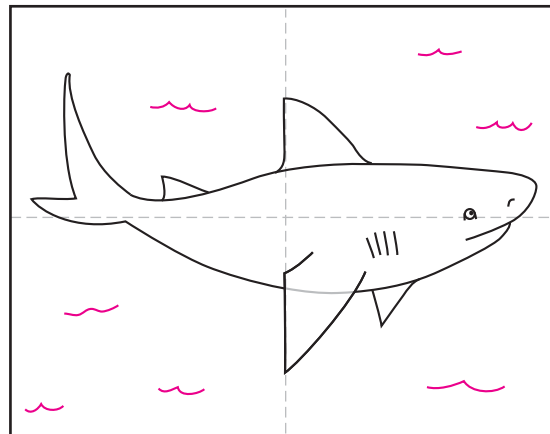

5. Draw the eye, nose and gills.

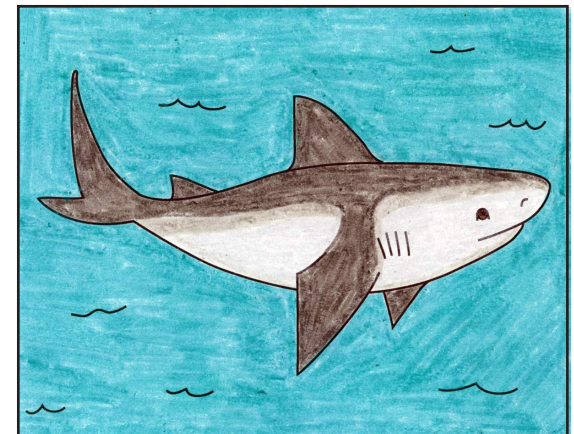

6. Add the dorsal fin on top.

7. Add the pectoral fins below.

8. Erase inside fins. Draw waves in the water.

9. Trace with a marker and color.

Shark
