

# Draw a Deer

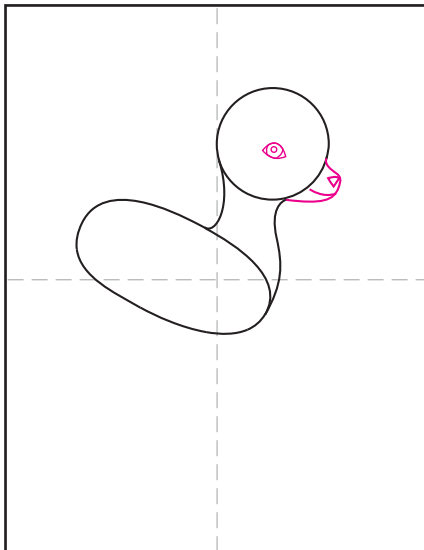

1. Lightly draw a circle.

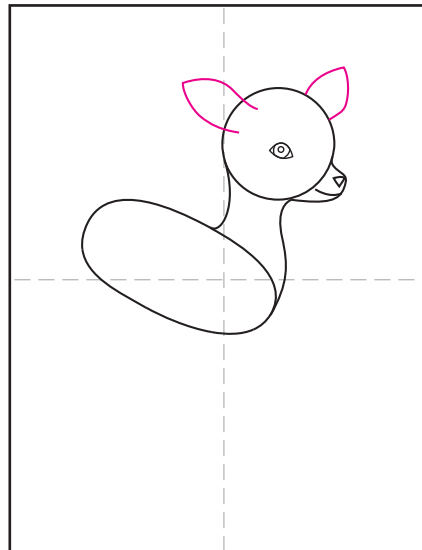

2. Add a tilted pill shape below.

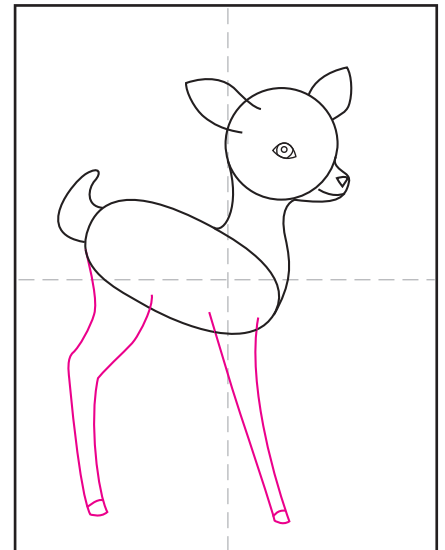

3. Connect the two with a neck.

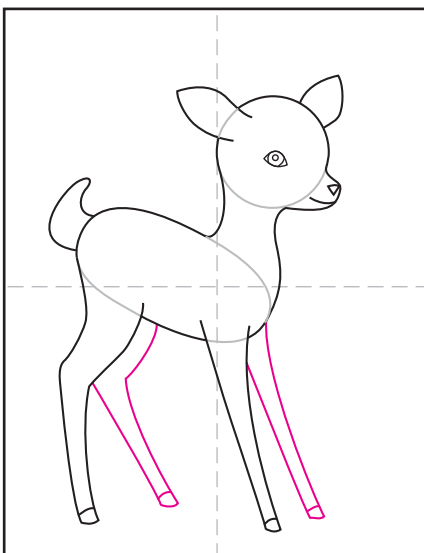

4. Add the nose shape and eye.

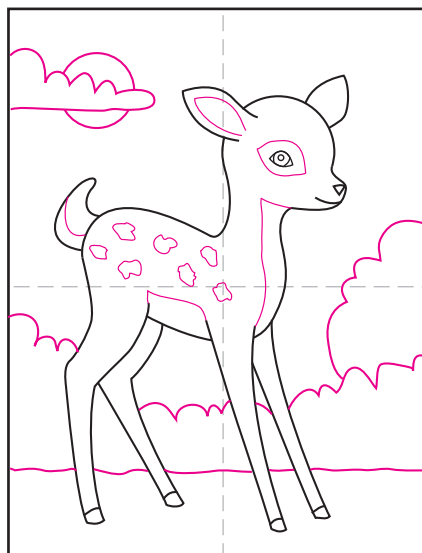

5. Draw two ears.

6. Draw a front and back leg.

7. Draw the other two legs, erase all the gray lines shown.

8. Trace with a marker. Add thin lines in pencil only for color guides.

9. Color carefully with crayons.

# Deer
