

Draw a Viking Ship

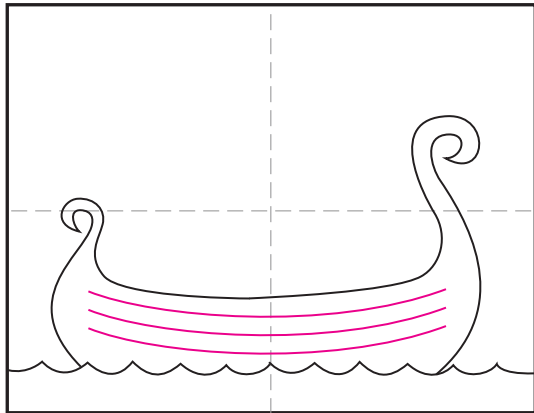

1. Draw a wavy line.

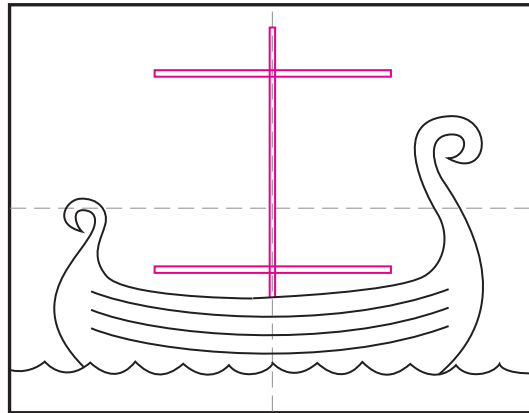

2. Start the boat sides with curves.

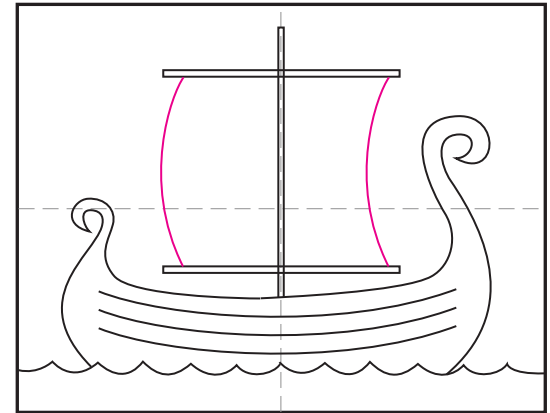

3. Connect the front and back curves.

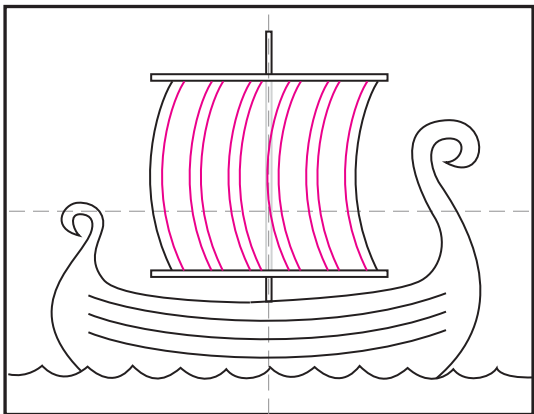

4. Add side lines to the boat.

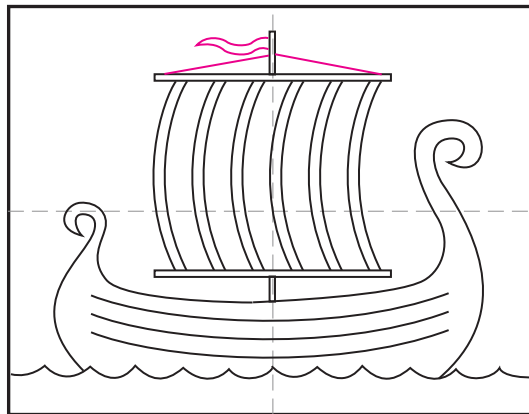

5. Draw the center post and two poles.

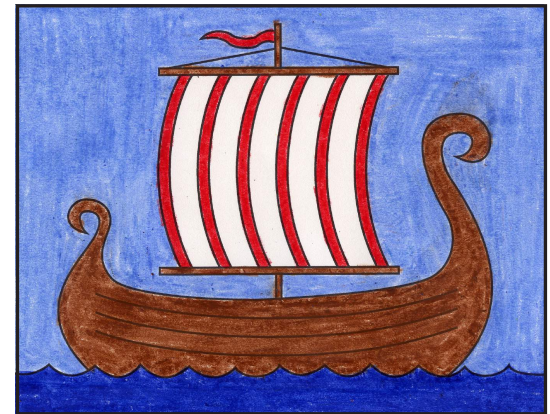

6. Add the curves sides of the sails.

7. Add some curved stripes.

8. Finish with ties and flag.

9. Trace with a marker and color.
