

Draw a Snowy City Night

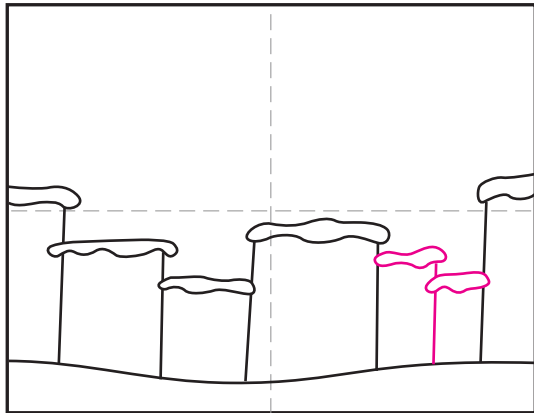

1. Draw snow base line.

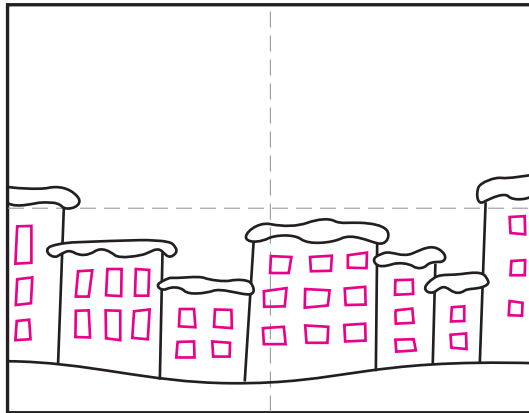

2. Draw three large buildings with snow tops.

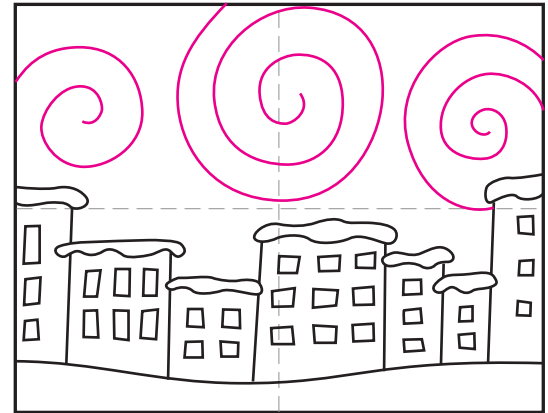

3. Add smaller buildings on the left.

4. Add smaller buildings on the right.

5. Fill the buildings with windows.

6. Start the large swirls in the sky.

7. Continue the swirls in the background.

8. Trace with a marker and paint the buildings.

9. Paint the sky. Add another paint line over the swirls. Splatter white tempera paint when dry.

Snowy City Night
