

# How to Draw a Koi Fish

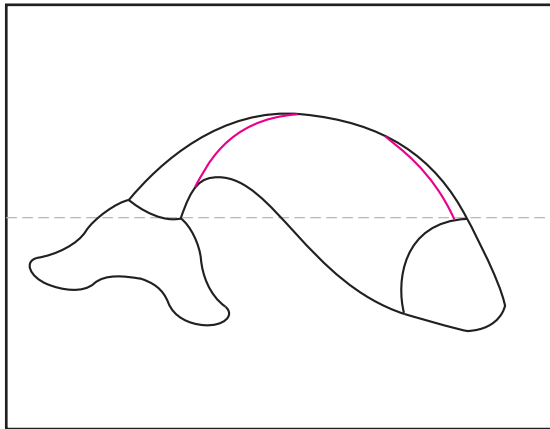

1. Start with the two sides of the fish.

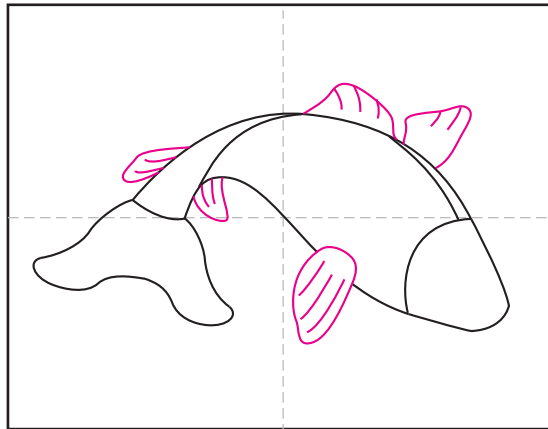

2. Cap the ends of the curves.

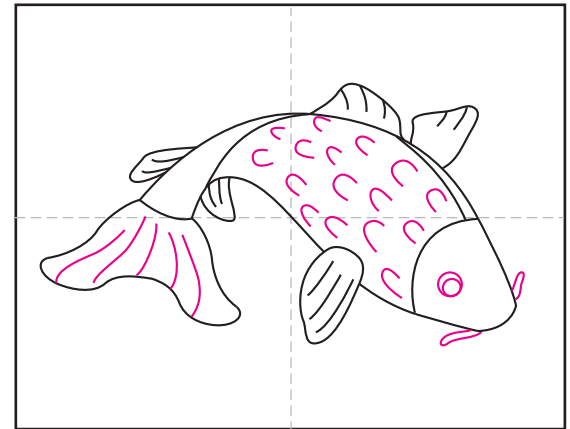

3. Add the tail and head.

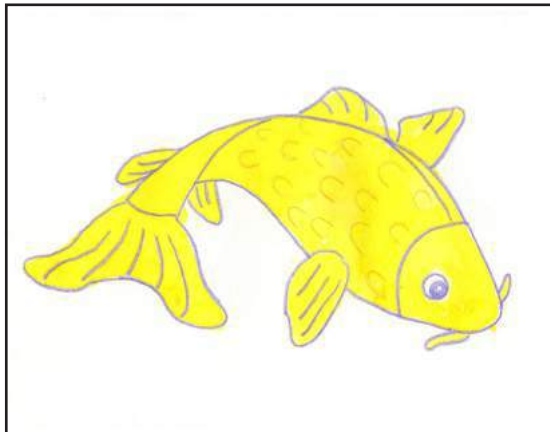

4. Draw the top ridge of the fish.

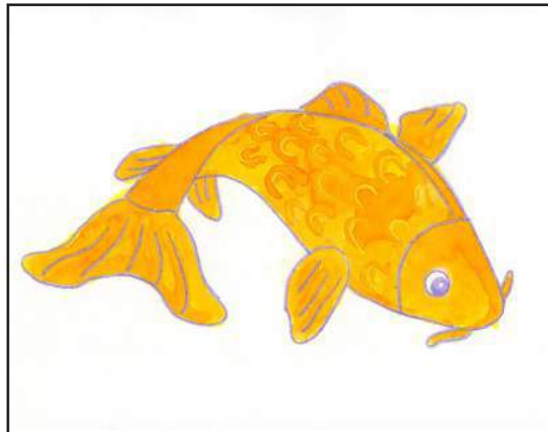

5. Add five fins and lines inside.

6. Draw scales, face and tail lines.

7. Trace with black and orange crayon, water lines with white. Paint fish yellow.

8. Paint a watery orange over the yellow. Add more orange paint for shadows.

9. Draw lines with white crayon. Paint a watery turquoise for the water.
