

Draw a Dove

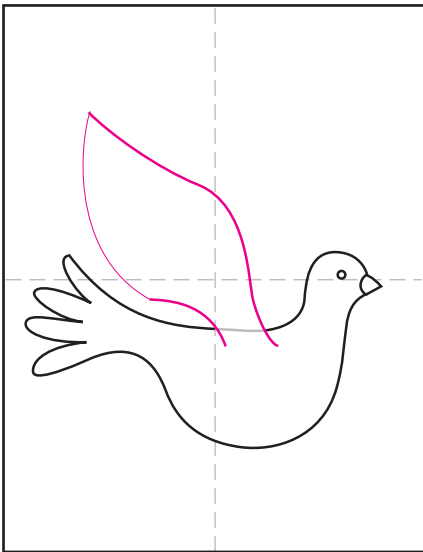

1. Draw the front of the bird body.

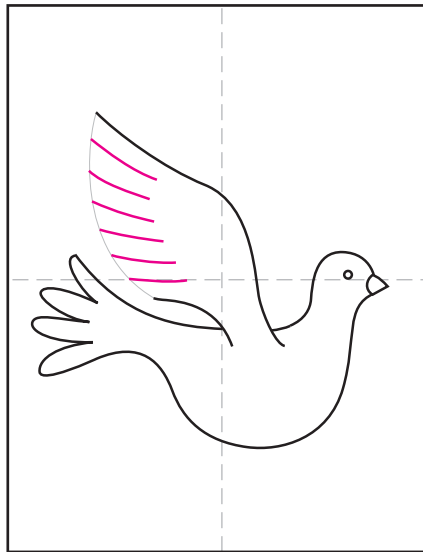

2. Add the back of the bird.

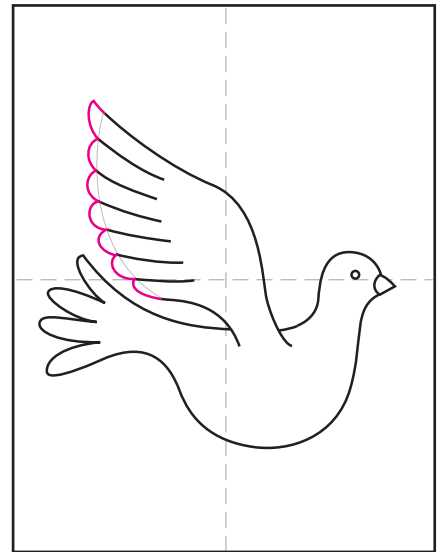

3. Draw the tail feathers, beak and eye.

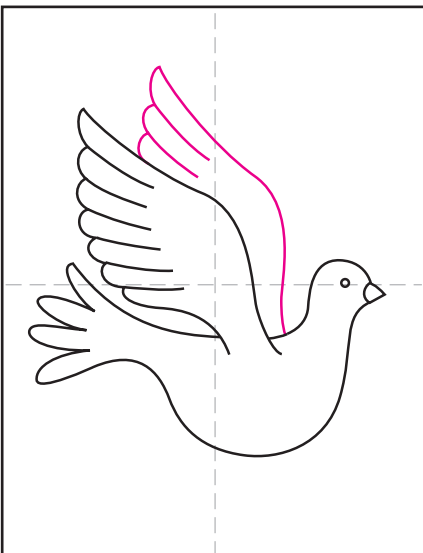

4. Start the wing, with a light curved edge.

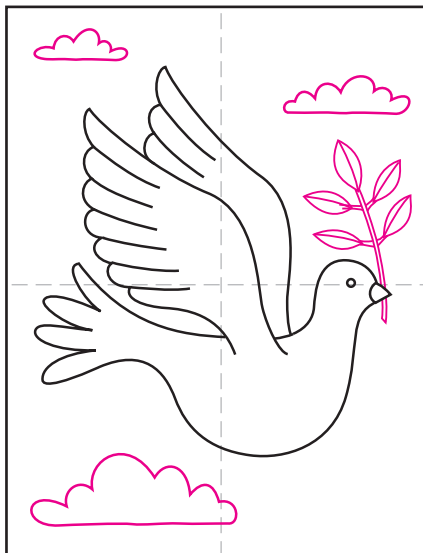

5. Draw evenly spaced feather lines.

6. Add the rounded feather ends.

7. Draw part of the other wing.

8. Add leaves and clouds.

9. Trace with a marker and color.

Dove
