

Draw a Campfire

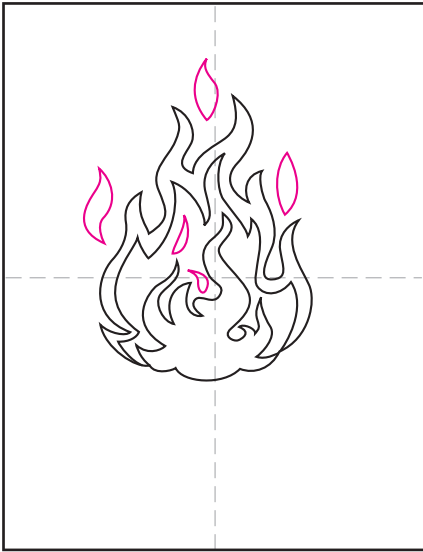

1. Draw a small flame shape like the one shown. Anything close is fine.

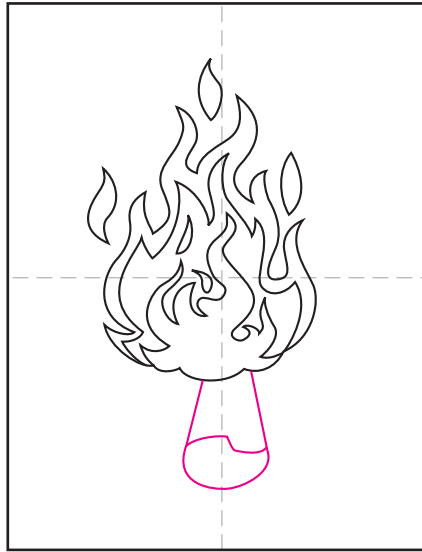

2. Add another flame shape above and around the first one.

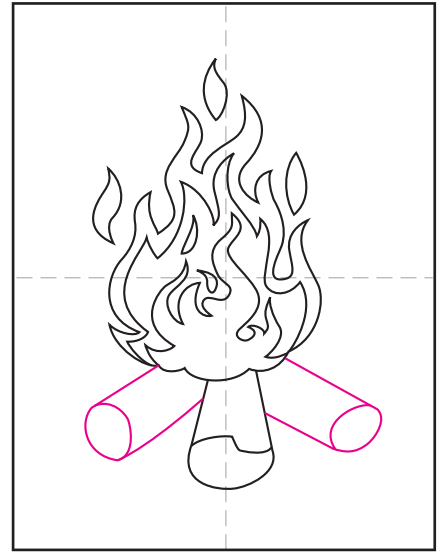

3. Draw another flame shape above and around the second one.

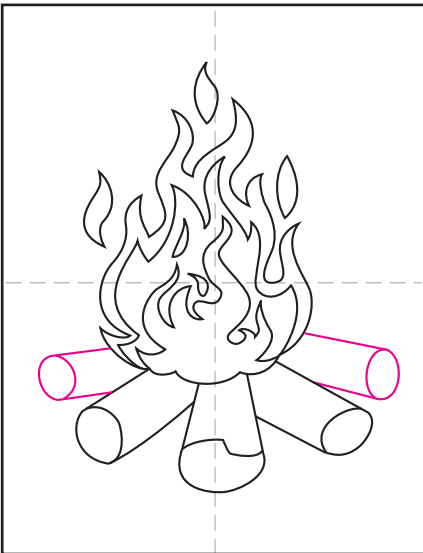

4. Add small flame shapes where space allows.

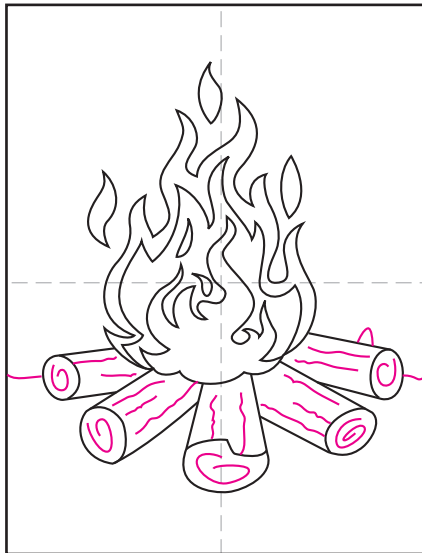

5. Draw a middle log under the flame.

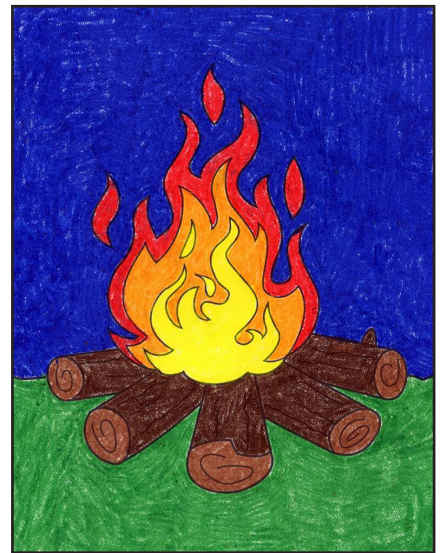

6. Add two more logs on either side.

7. Draw two more logs on either side.

8. Add texture lines to the logs.

9. Trace with a marker and color.

Campfire
