

How to Draw Simple Flowers

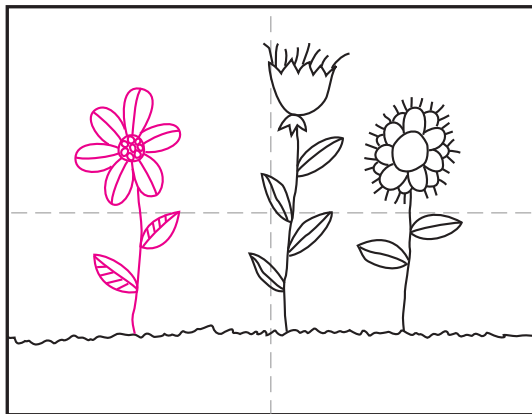

1. Start with a wiggly line for the ground.

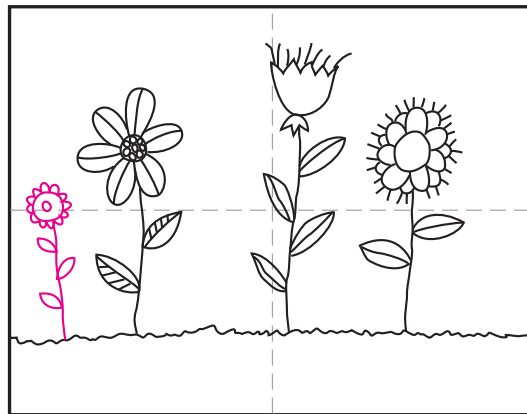

2. Draw a large flower in the center.

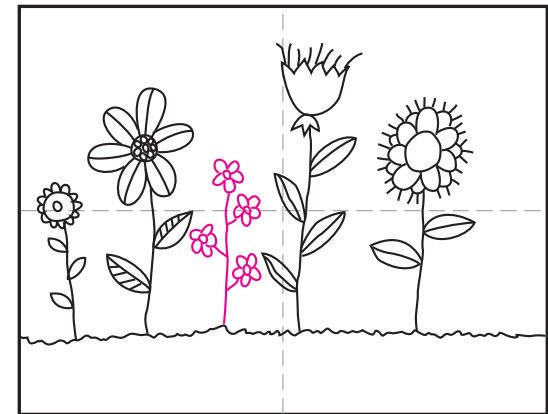

3. Add another type of large flower on the right.

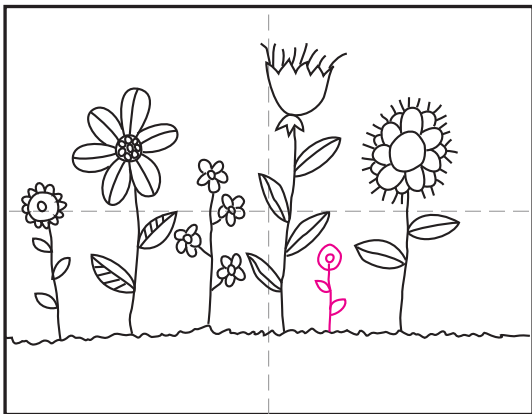

4. Draw a third large flower on the left.

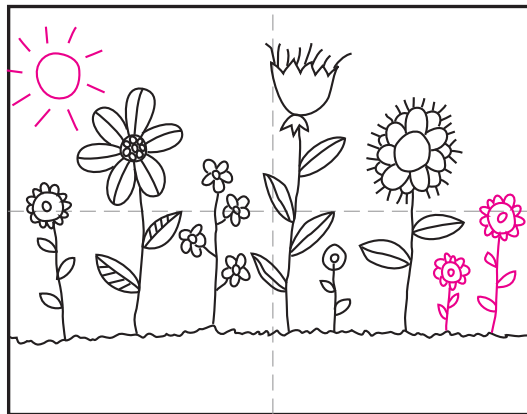

5. Add a smaller type flower to the very left.

6. Draw another smaller flower as shown.

7. Draw a teeny flower to fill in as shown.

8. Add two more small flowers. Finish with a sun.

9. Trace with a permanent marker. Paint the flowers and grass. Paint the sky and leave white space.
