

# Draw a Hippopotamus

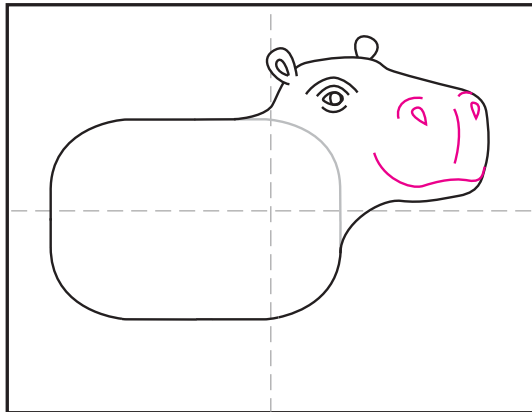

1. Start with a rounded rectangle.

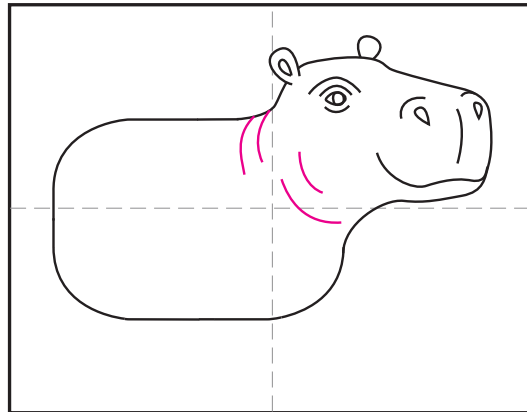

2. Add the head shape on the right.

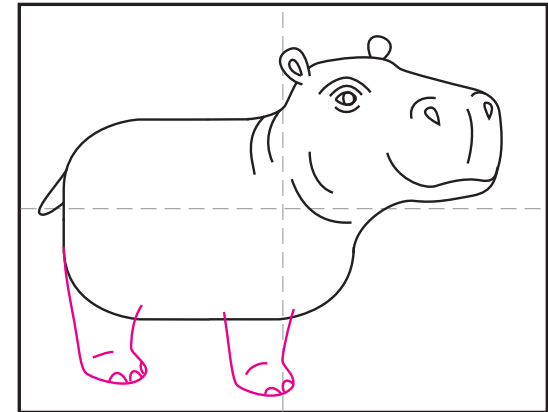

3. Draw an eye and two ears.

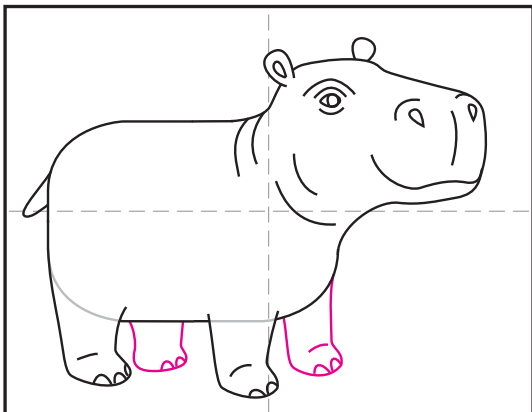

4. Add a mouth and nose. Erase the gray line.

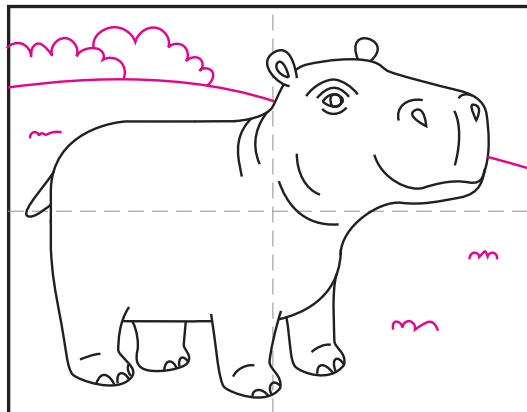

5. Draw neck lines.

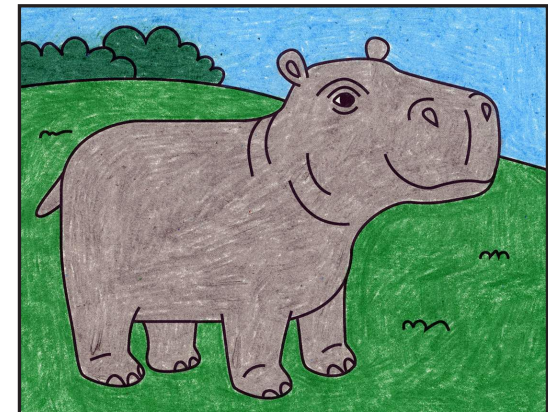

6. Add two legs on one side.

7. Draw the two legs on the other side. Erase lines.

8. Add a background with hill and bushes.

9. Trace with a marker and color.

# Hippopotamus
