

Draw a Rhinoceros

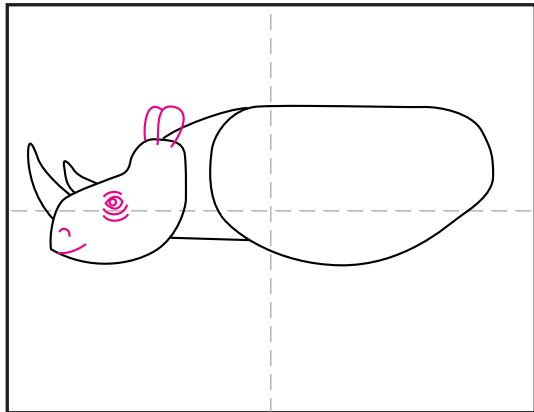

1. Start the body with the roundish shape shown.

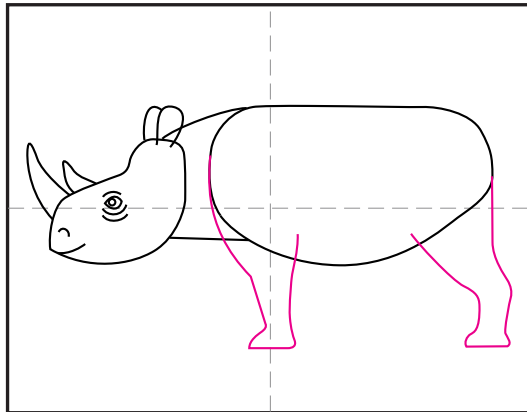

2. Add another shape shown for the head.

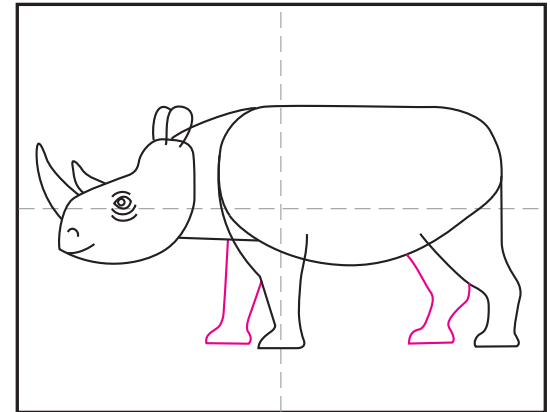

3. Connect with a neck and add horns.

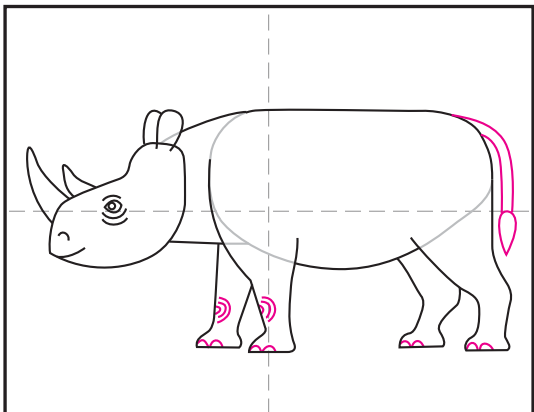

4. Draw the eyes, mouth and ears.

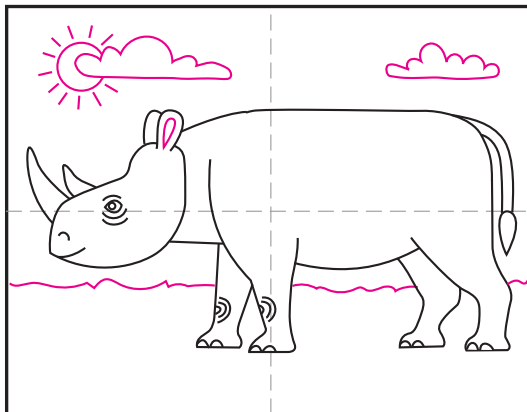

5. Add two legs on one side as shown.

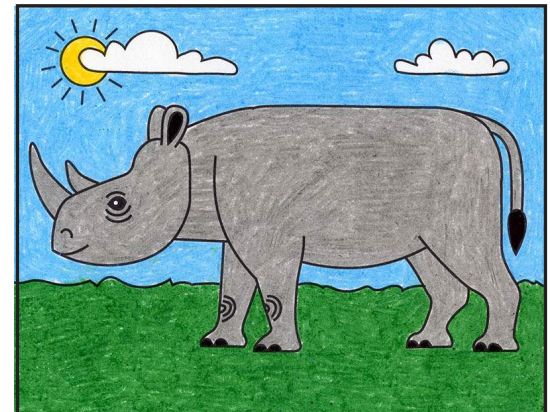

6. Draw the two legs on the other side.

7. Add a tail and leg details. Erase the gray lines.

8. Finish the ear and fill in a background.

9. Trace with a marker and color.

Rhinoceros
