

# Lemon

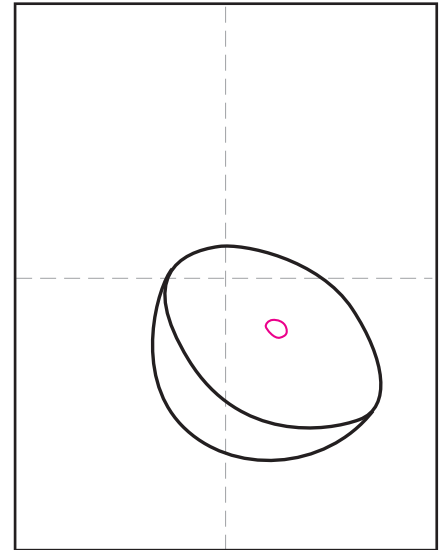

# Draw a Lemon

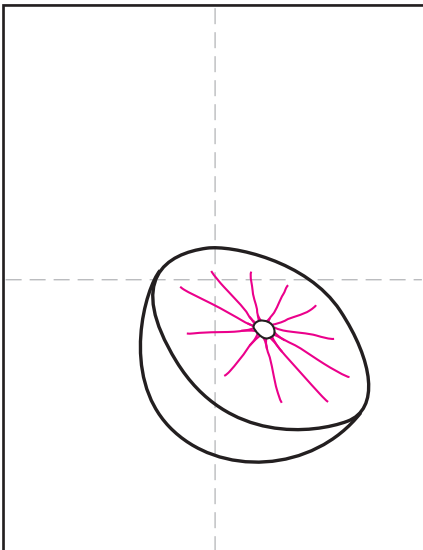

1. Draw a tilted oval.

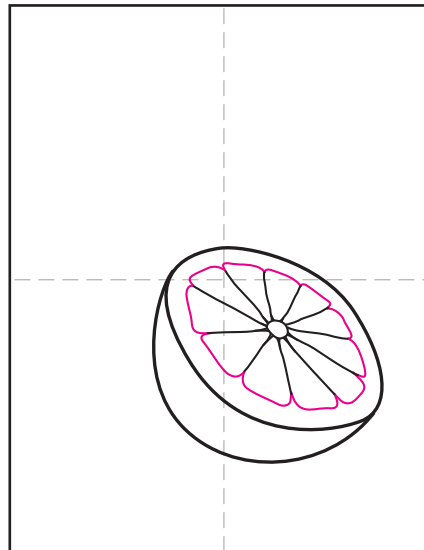

2. Add the bottom of the lemon below.

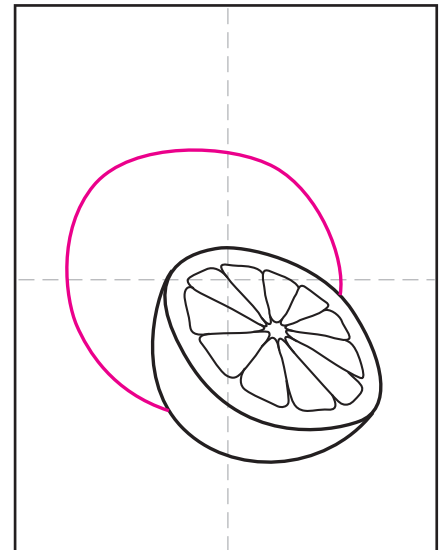

3. Start the center with a small circle.

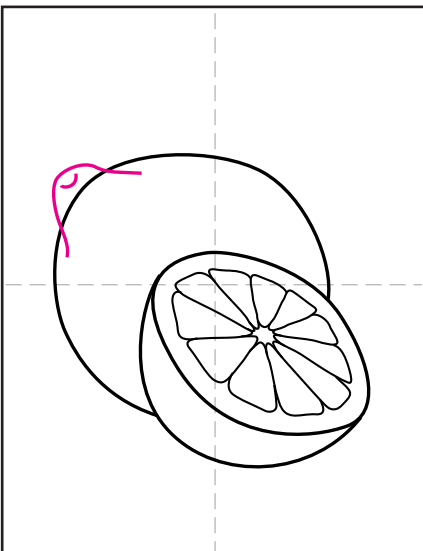

4. Add the radial lines as shown.

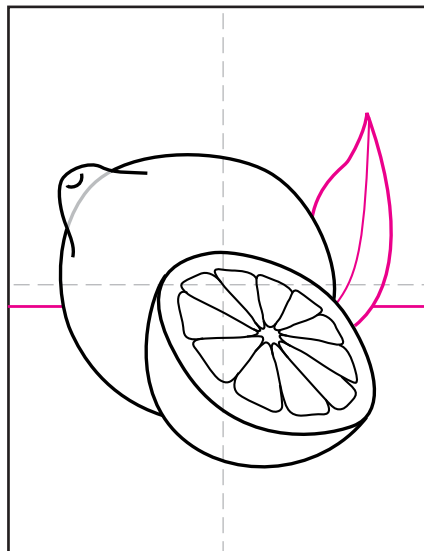

5. Connect the lines with rounded ends.

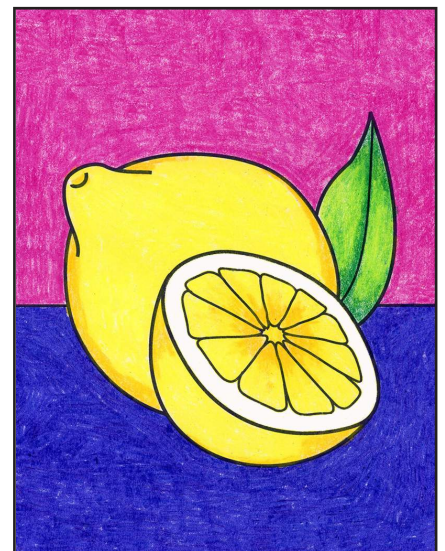

6. Draw a circle shape behind.

7. Add the lemon end on one side.

8. Erase gray line, add leaf and line.

9. Trace with a marker and color.
