

How to Draw a Pear

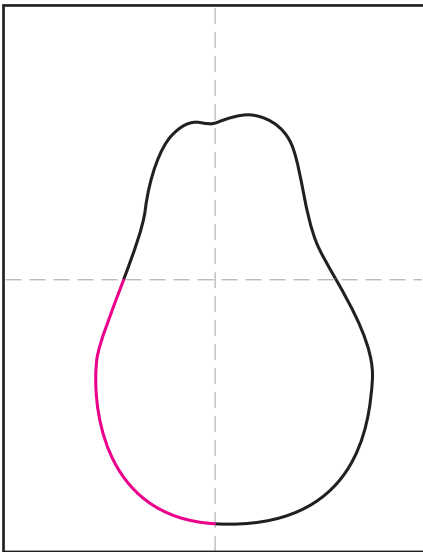

1. Start the top left side of the pear.

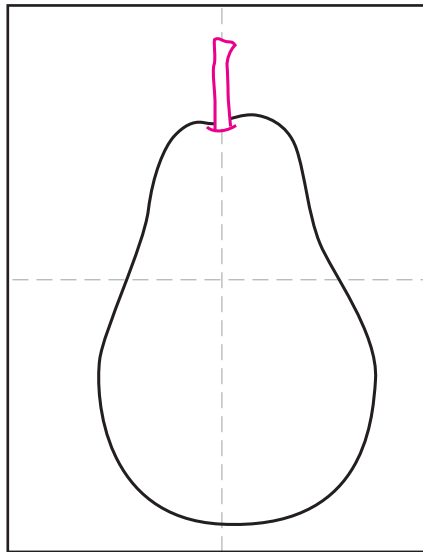

2. Continue with the right side.

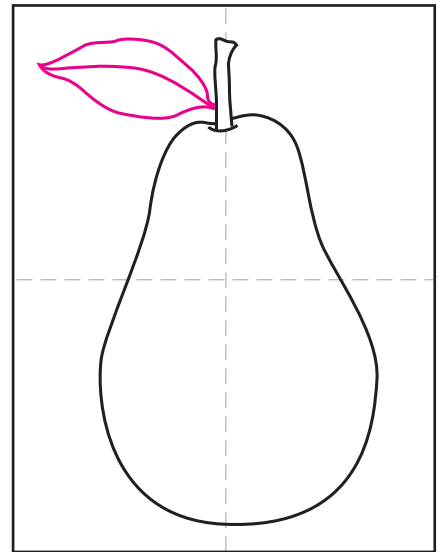

3. Continue the bottom side.

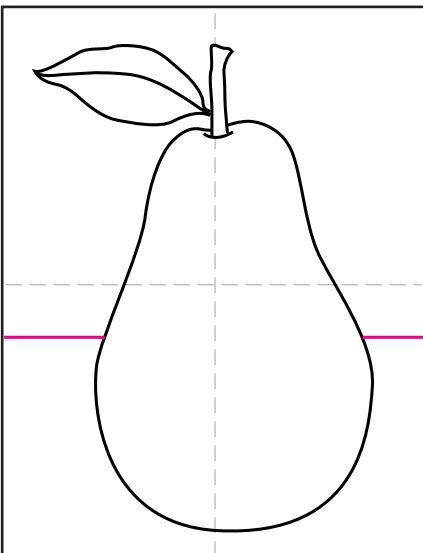

4. Finish the bottom left side.

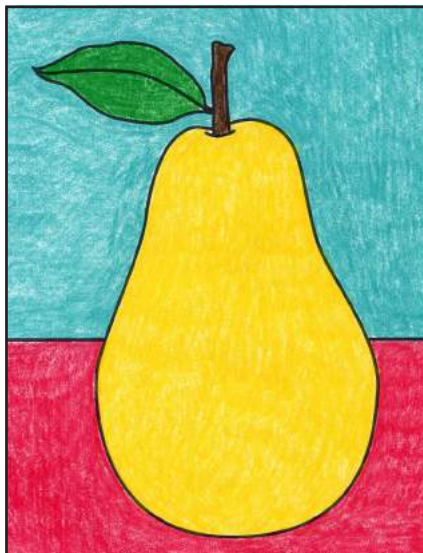

5. Draw a stem on the top.

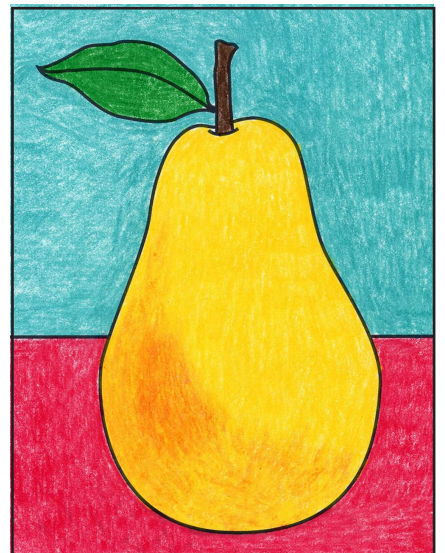

6. Add a leaf.

7. Draw the back table line.

8. Trace with a marker and color.

9. Add some orange color for shading.
