How to Draw a Football

1. Draw the top half of the football.

2. Finish the bottom half of the football.

3. Add the two curved seam lines inside.

4. Center a skinny shape on the top, erase inside.

5. Draw four overlapping "stitch" lines on the left.

6. Draw four overlapping "stitch" lines on the right.

7. Erase inside and add matching curve lines.

8. Draw a grass line or another background.

9. Trace with a marker and color.
