How to Draw a Soccer Ball

1. Draw (or trace!) a circle.
2. Draw a tilted hexagon in the center.
3. Add extending lines from each point.
4. Finish one hexagon as shown.
5. Finish the next shape.
6. Finish the next shape.
7. Finish the last two shapes.
8. Draw the final lines from each point.
9. Trace with a marker and color.
