

# Draw a Dinosaur

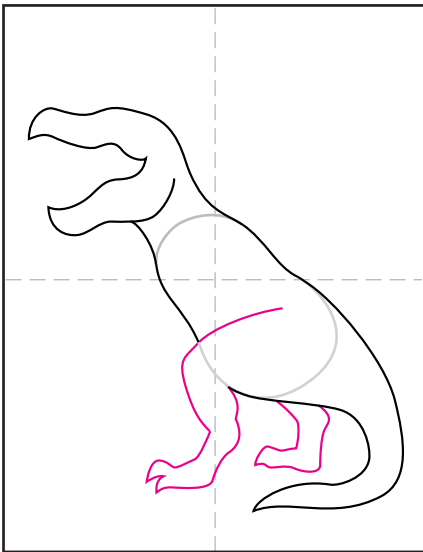

1. Start by drawing a tilted bean shape.

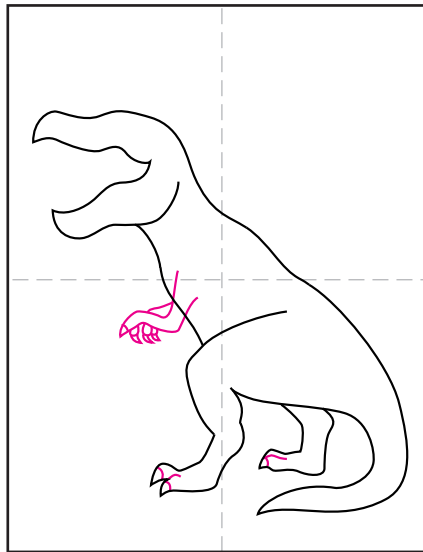

2. Add a tail attached at the bottom.

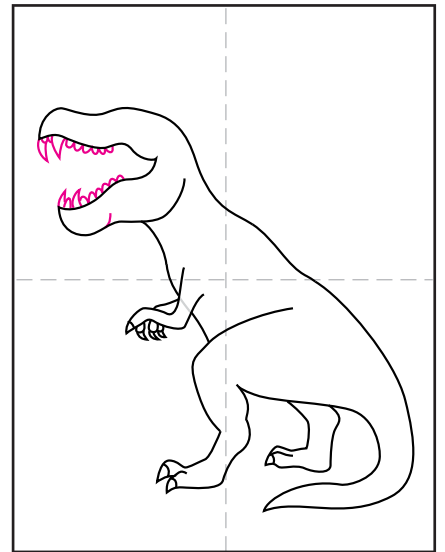

3. Draw the head on the top.

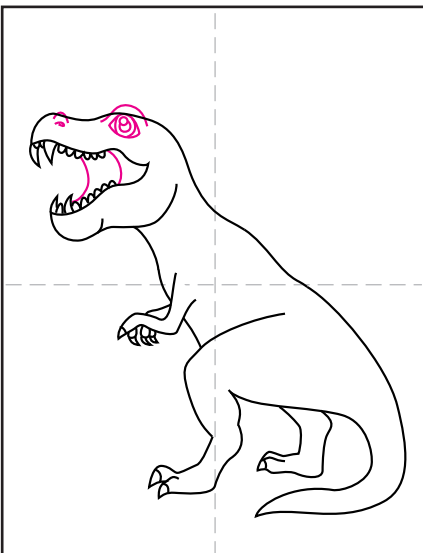

4. Add two legs and erase the gray line.

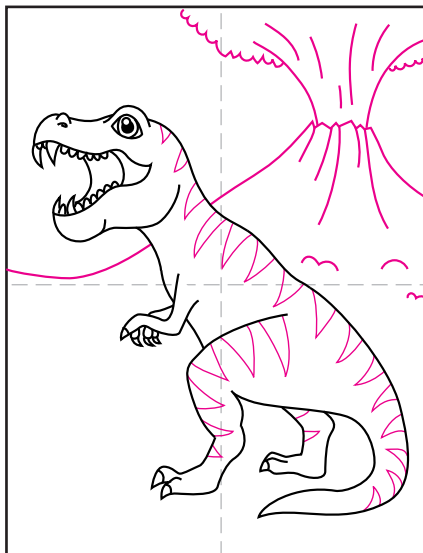

5. Add the toenails and two arms.

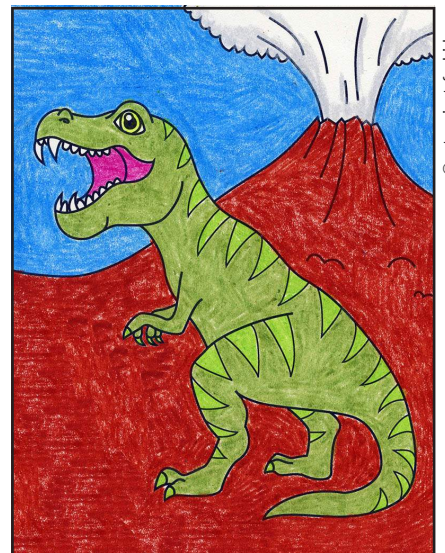

6. Draw the teeth in the mouth.

7. Finish mouth, draw the nose and eye.

8. Add body triangles and volcano.

9. Trace with a marker and color.
