

How to Draw a Bed

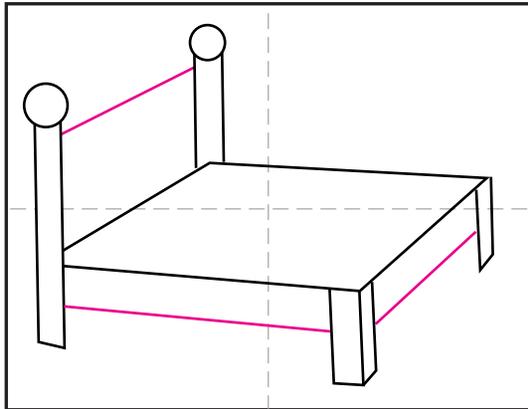

1. Draw a rectangle at the angle shown.

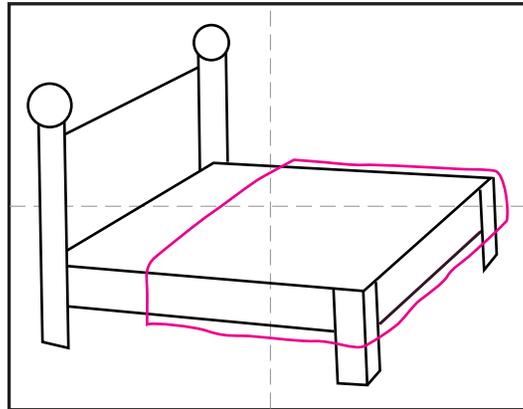

2. Add two tall posts with circles on top.

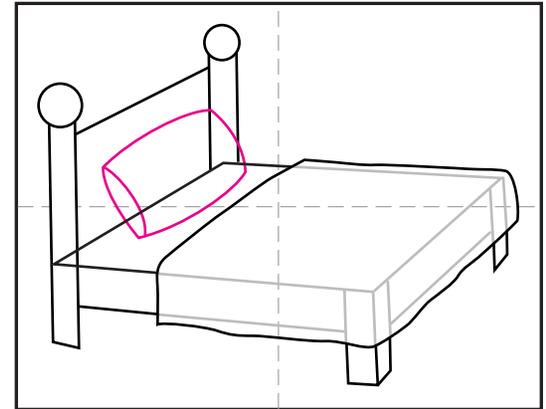

3. Draw the two short legs on the other end.

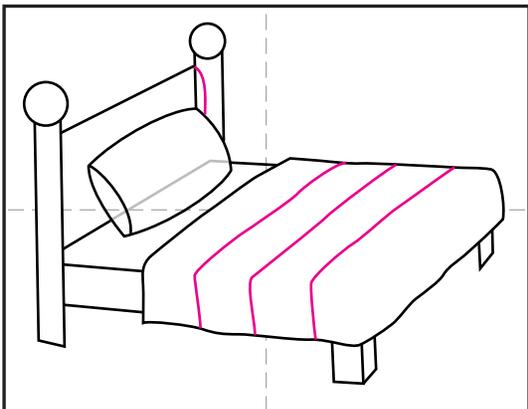

4. Add lines for headboard and mattress.

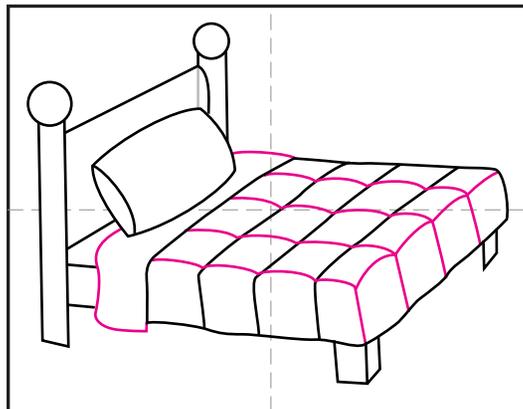

5. Draw a blanket shape around the mattress.

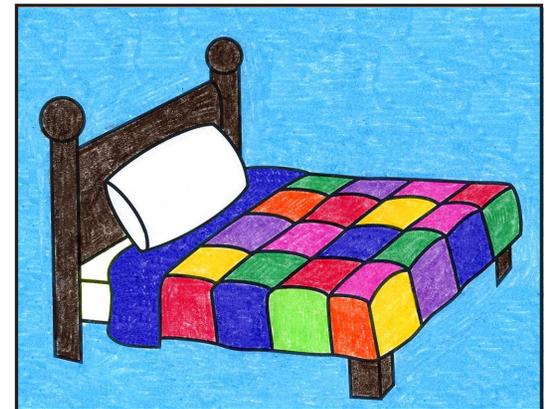

6. Erase gray lines and add a pillow.

7. Erase gray lines and draw 3 quilt seam lines.

8. Add a quilt fold under the pillow and finish with the rest of the quilt lines.

9. Trace with a marker and color.
