

# How to Draw a Strawberry

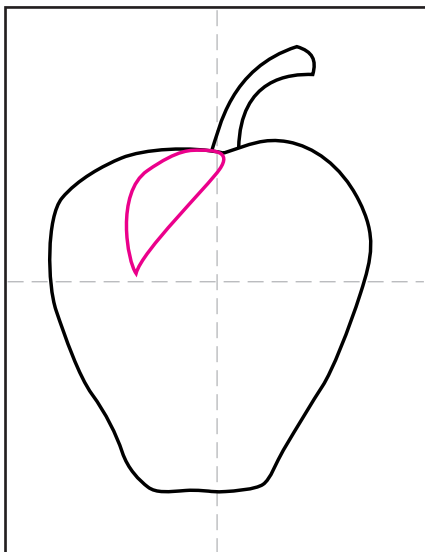

1. Start a kind of heart shape.

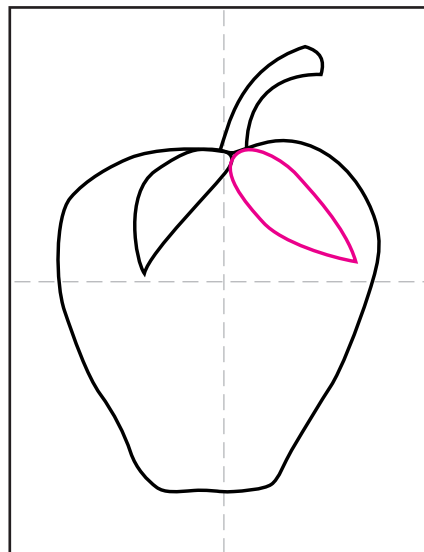

2. Add the other side, almost the same.

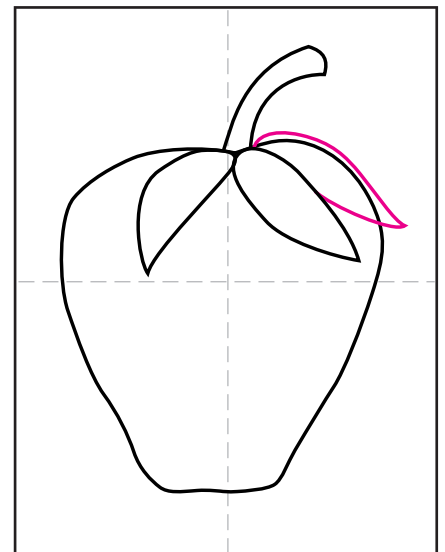

3. Draw a stem.

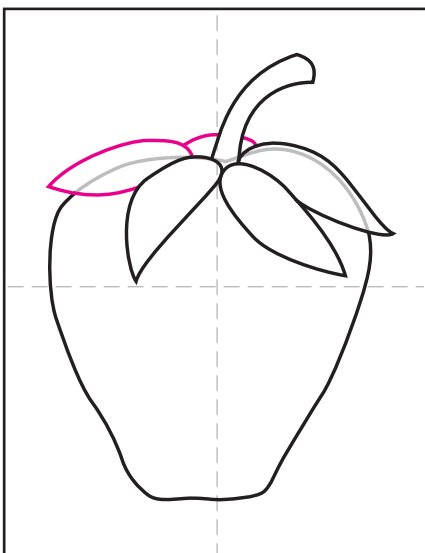

4. Add one petal of the leaf.

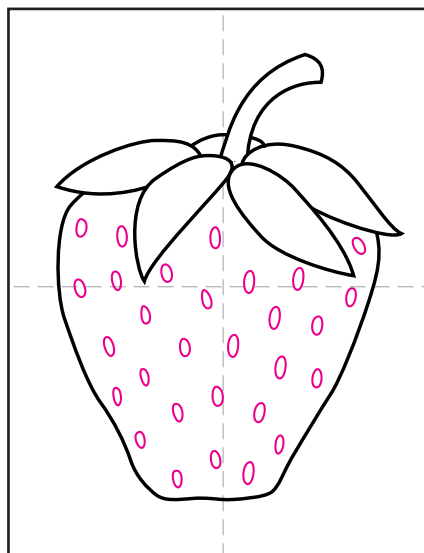

5. Add another petal.

6. Draw another petal.

7. Finish the petals and erase lines inside.

8. Finish lots of small oval seeds.

9. Trace with a marker and color.
