

# How to Draw a Donut

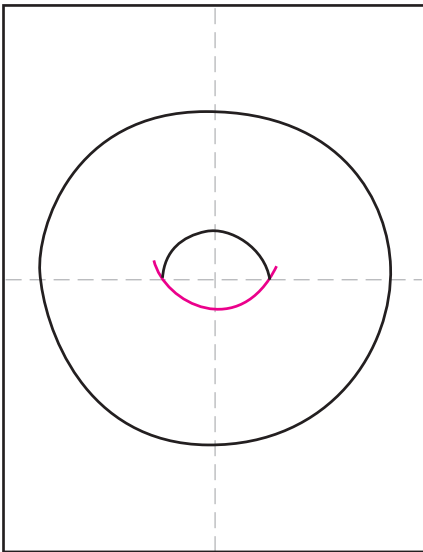

1. Draw a left half of a circle.

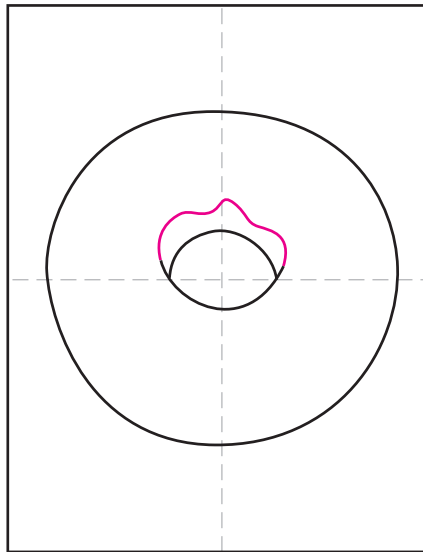

2. Complete the right side of the circle.

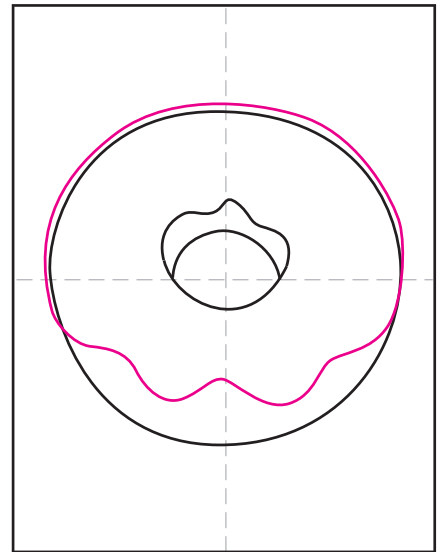

3. Draw the top half of the center hole.

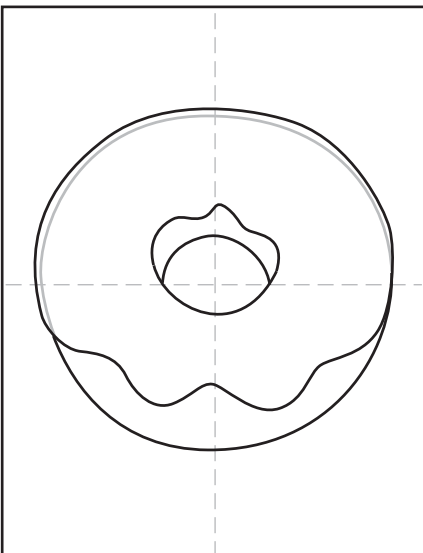

4. Add the bottom half of the center hole.

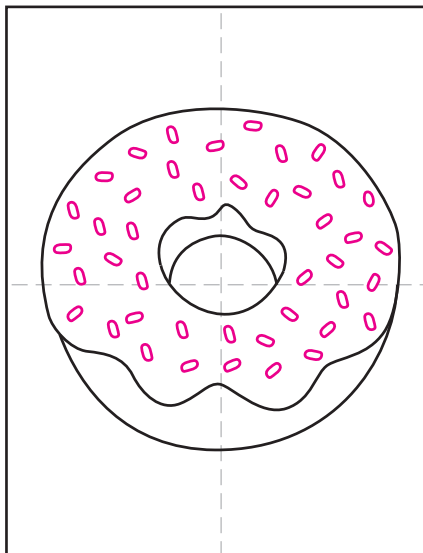

5. Draw the inside frosting line.

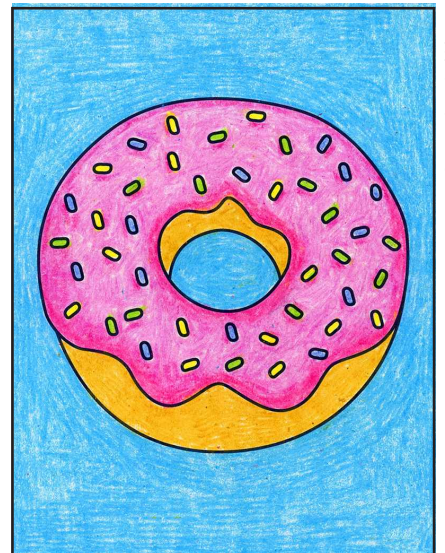

6. Add the outside frosting line.

7. Erase the gray donut line.

8. Draw lots of small sprinkle shapes.

9. Trace with a marker and color.
