

Draw a Lizard

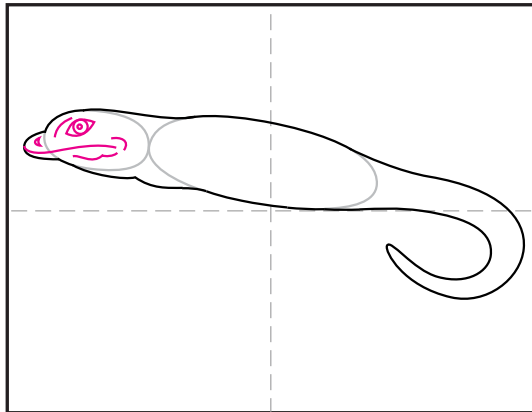

1. Draw a large and small oval as shown.

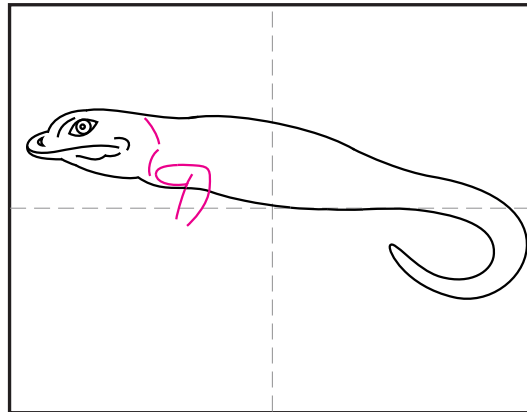

2. Add a tail.

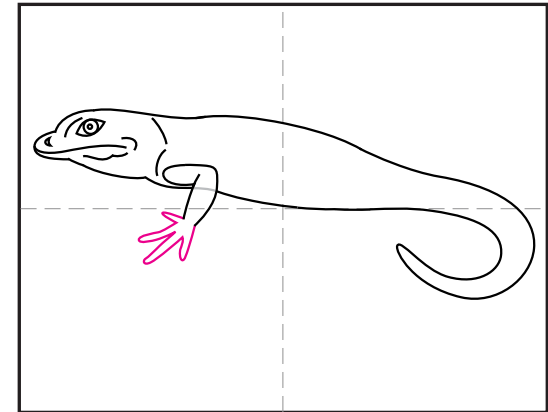

3. Connect the head to the body and add mouth.

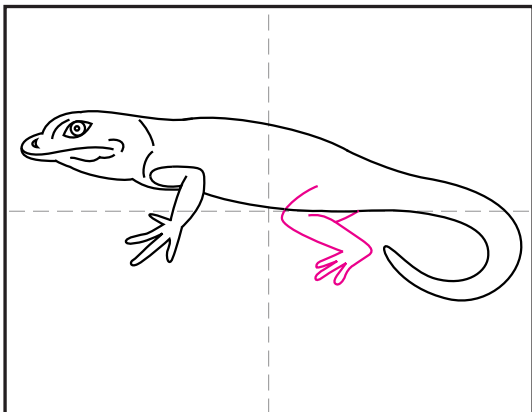

4. Erase the inside ovals and draw the face.

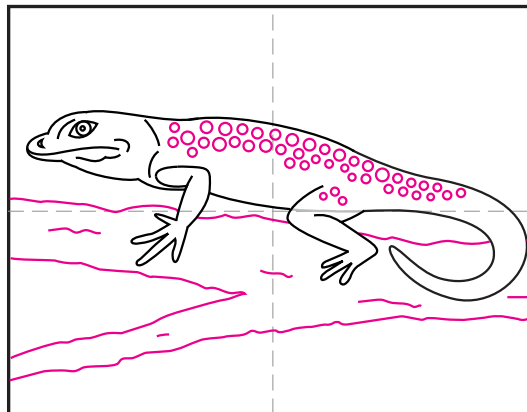

5. Add skin lines and start the arm.

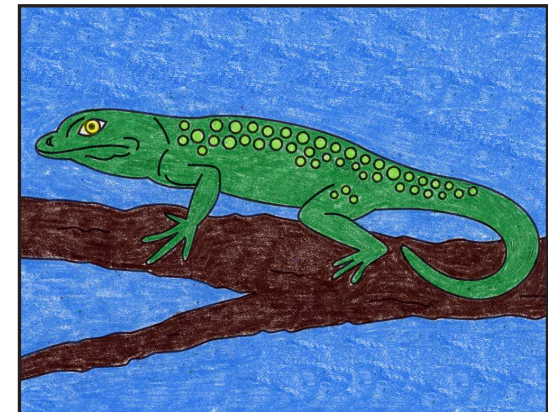

6. Draw a hand with fingers and erase inside line.

7. Draw the back leg, with toes.

8. Erase the line, add spots, and draw a branch.

9. Trace with a marker and color.

Lizard
