Draw a Blended Color Tree

1. Draw the center of the tree.
2. Add a branch on the left.
3. Add a branch on the right.
4. Add another to the left.
5. Add two more to the right.
6. Balance with more on left.
7. Trace with a black marker.
8. Fill with two similar colors.
9. Soften edges between them.
