

Draw a Baby Elephant

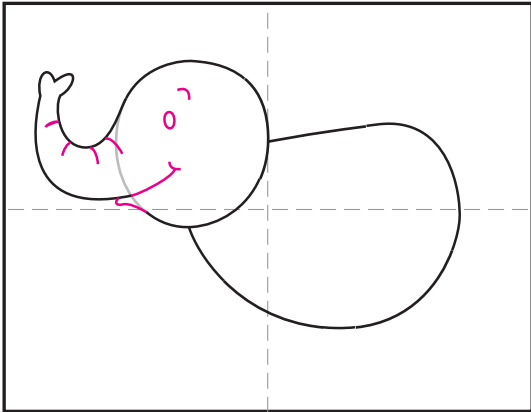

1. Draw a circle for the head.

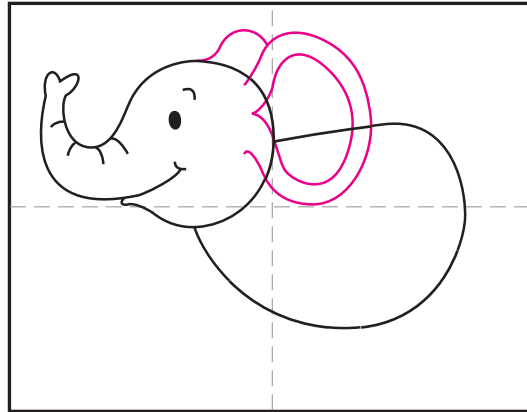

2. Add a belly shape on the right side.

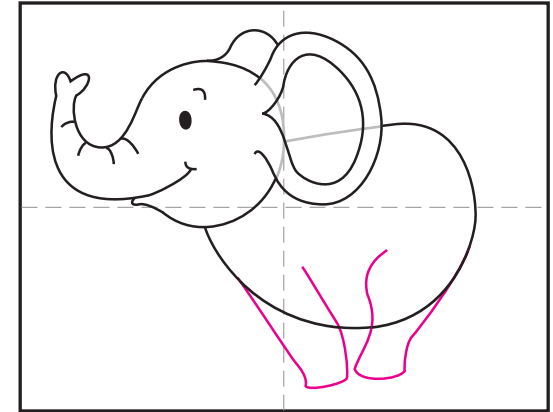

3. Draw the trunk attached to the head.

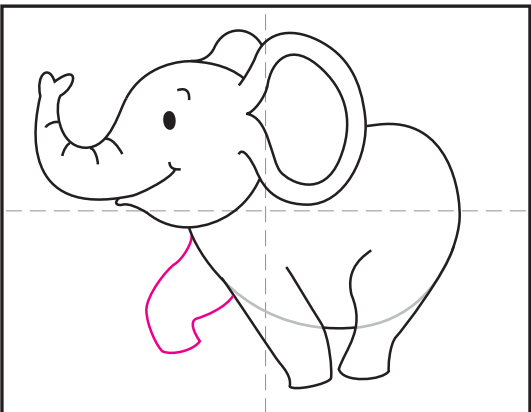

4. Erase the gray line and add the mouth and eye.

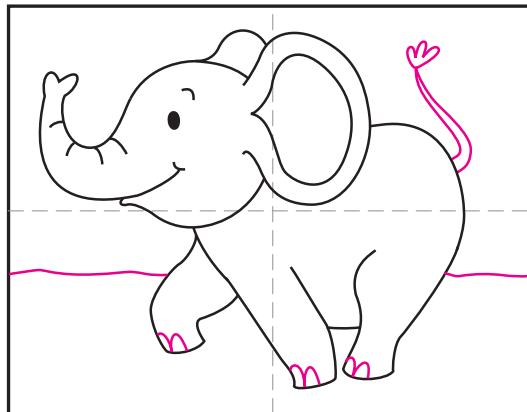

5. Draw an ear that overlaps the body.

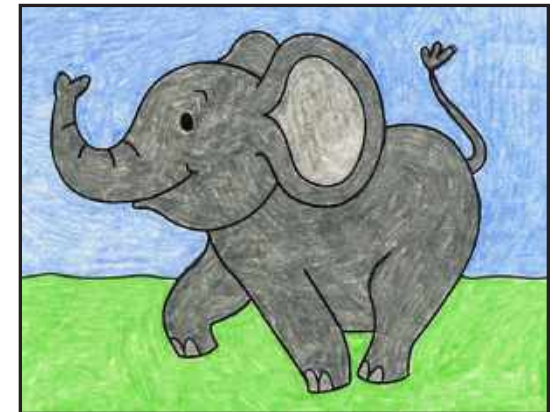

6. Erase the gray line and add two legs.

7. Erase the gray lines and add the other front leg.

8. Add the toes, tails and horizon line.

9. Trace with a marker and color.
