

How to Draw a Lion

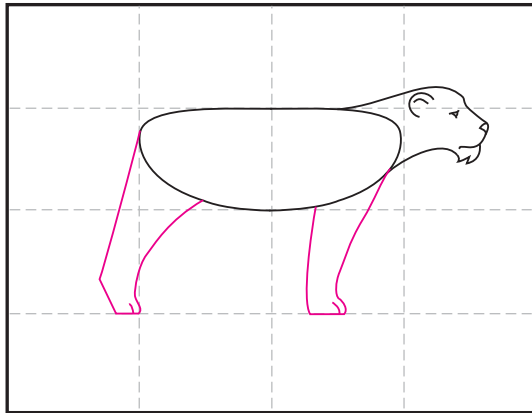

1. Draw a flattened oval as shown.

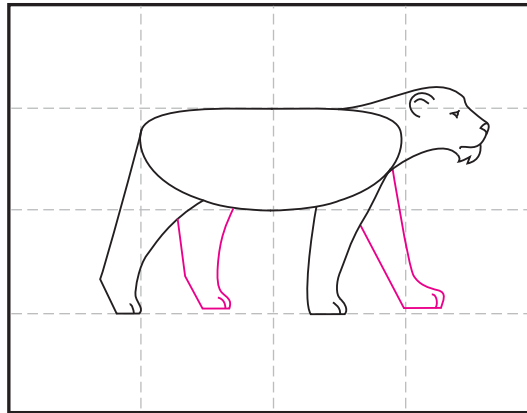

2. Start the head to one side.

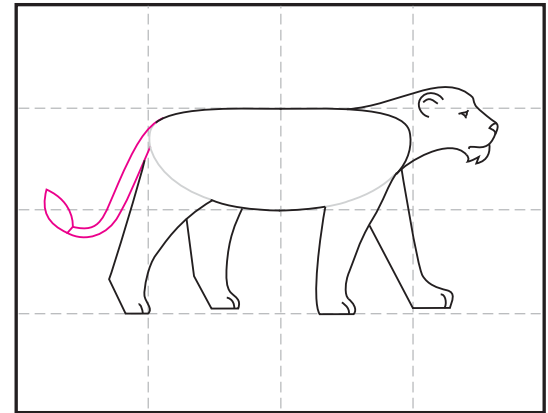

3. Finish chin, add eye, nose, ear for female.

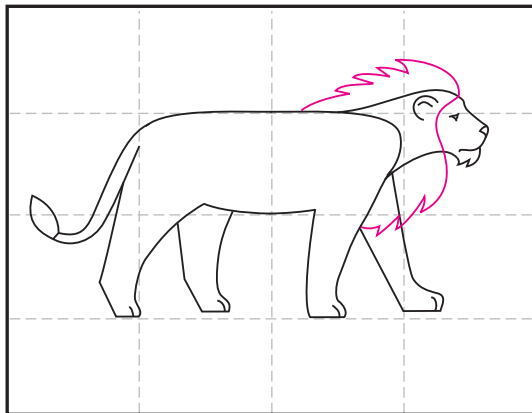

4. Draw two legs on one side.

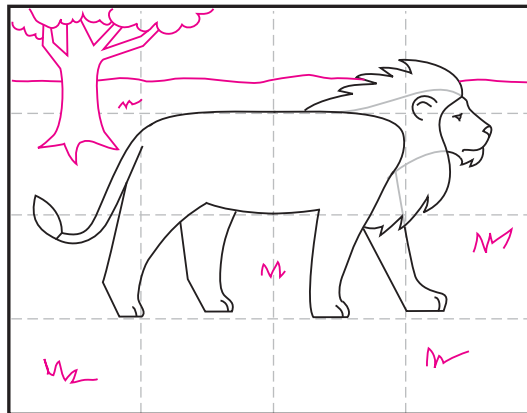

5. Draw the two legs on other back side.

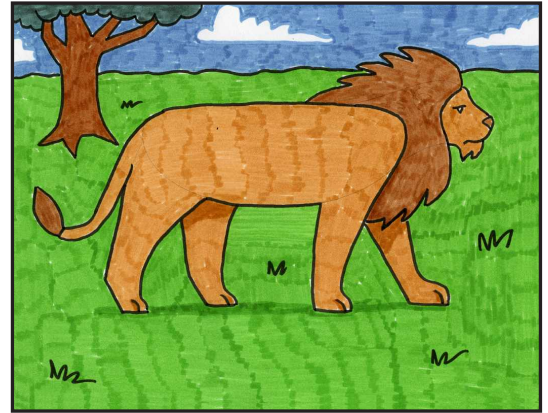

6. Erase extra lines. Add a tail.

7. Draw mane for a male, or skip for female.

8. Add a background, erase extra lines.

9. Trace with a black marker and color.
