

Draw a Tropical Fish

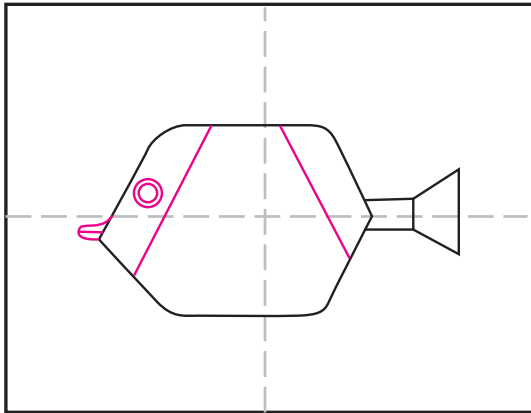

1. Make guide lines. Start the back body.

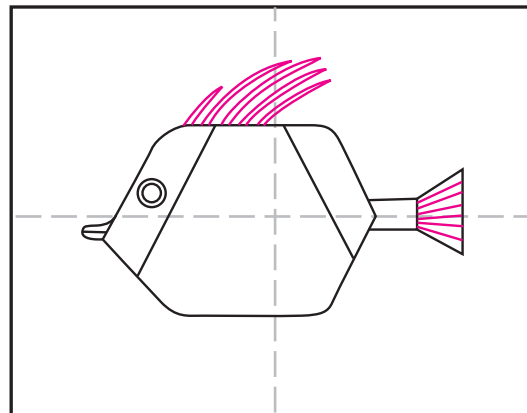

2. Finish by adding front body.

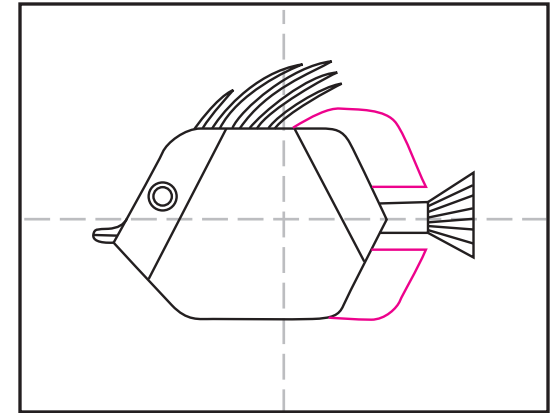

3. Draw the tail as shown.

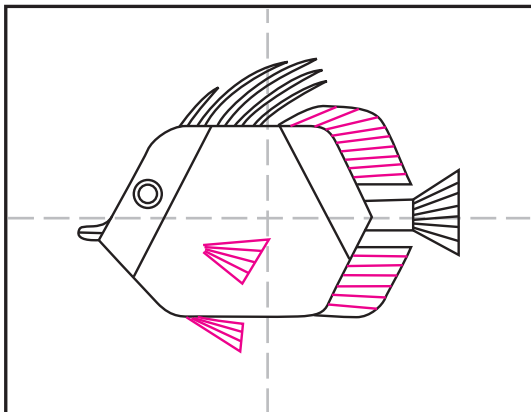

4. Add lips, eye and stripes.

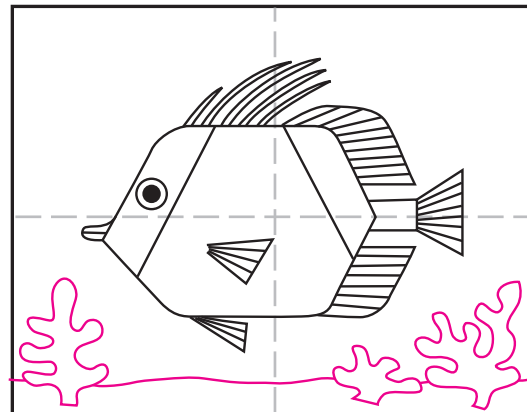

5. Add lines to tail. Draw spikes on top.

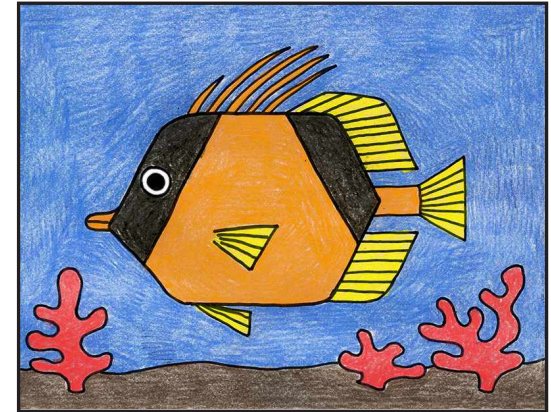

6. Draw two fins.

7. Add lines inside. Draw two flippers.

8. Add coral and sand line.

9. Trace with a marker and color.

Tropical Fish
