

How to Draw a Pickup Truck

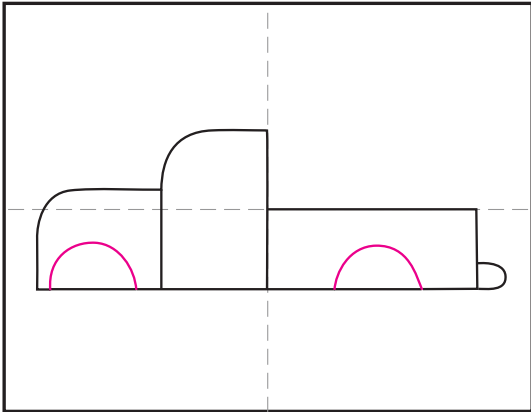

1. Draw the cab shape of the truck.

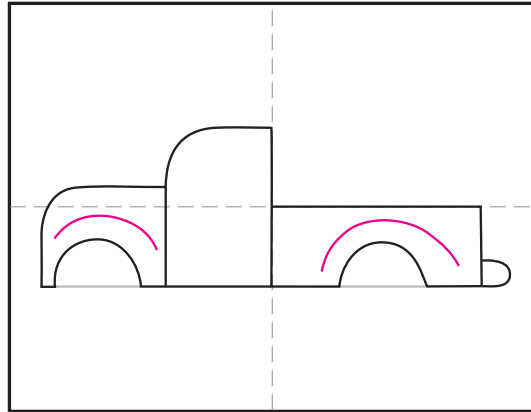

2. Add the front end.

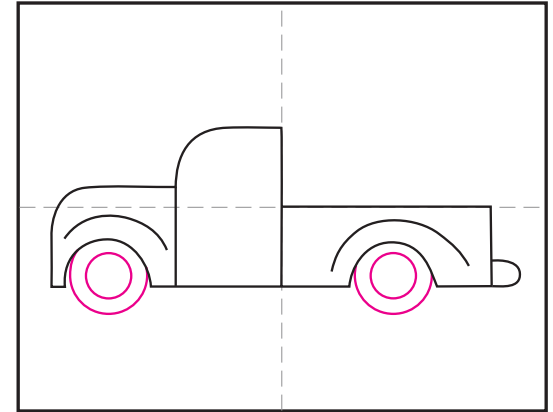

3. Draw the back of the truck.

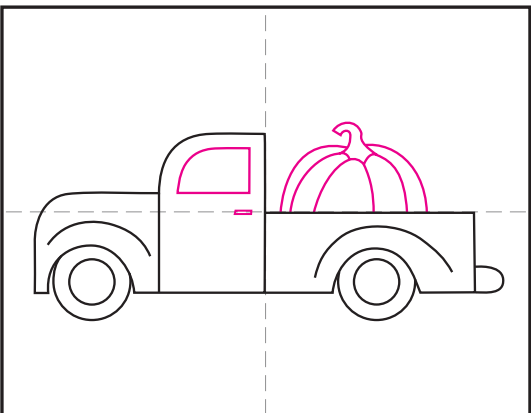

4. Add two half circles for the wheels.

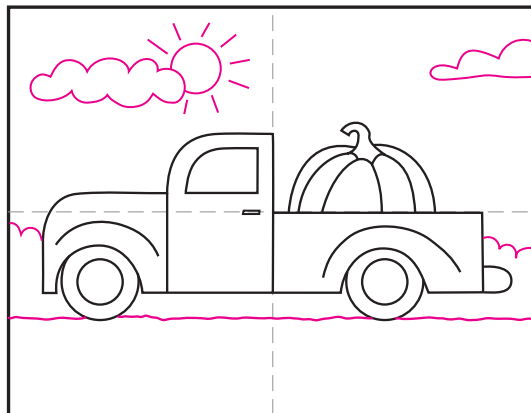

5. Erase the line inside and add detail.

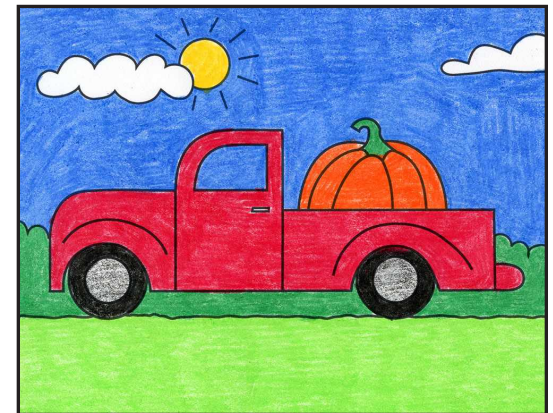

6. Draw the two wheels and rims inside.

7. Add the window in the door, and a pumpkin.

8. Finish with a background and sky.

9. Trace with a marker and color.
