

# How to Draw a Pie

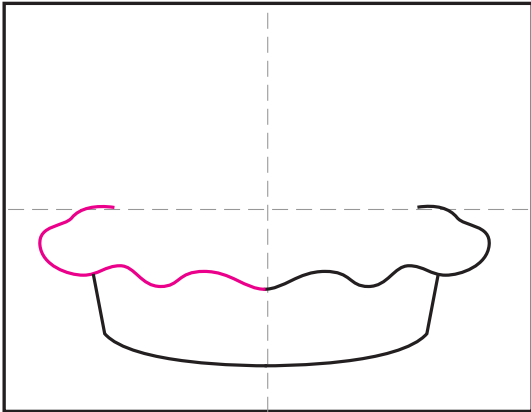

1. Draw the right side of the pan.

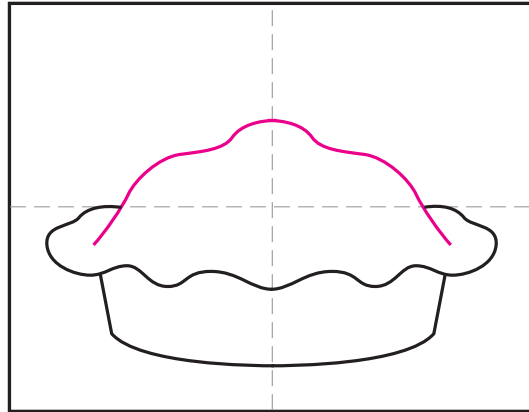

2. Add the matching left side of the pan.

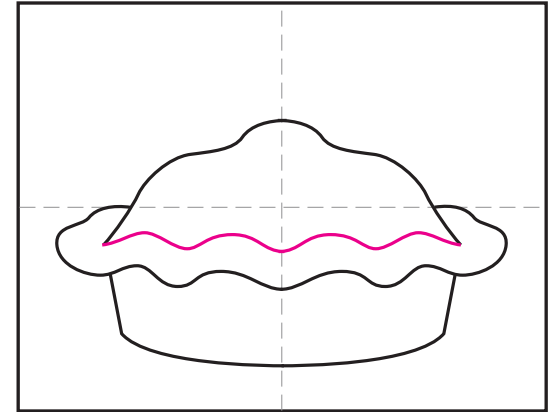

3. Start the crust line on the right.

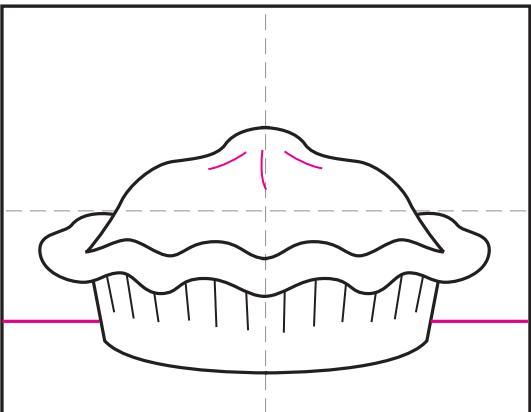

4. Match the crust line on the left.

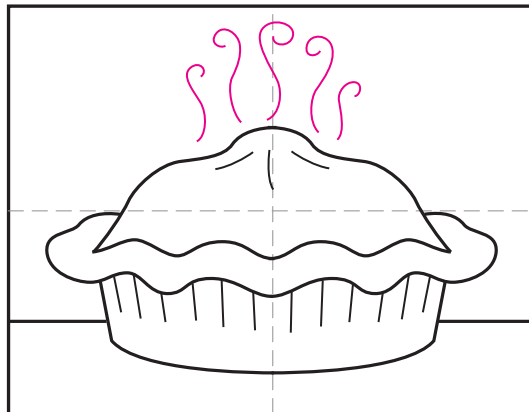

5. Draw the top dome of the pie.

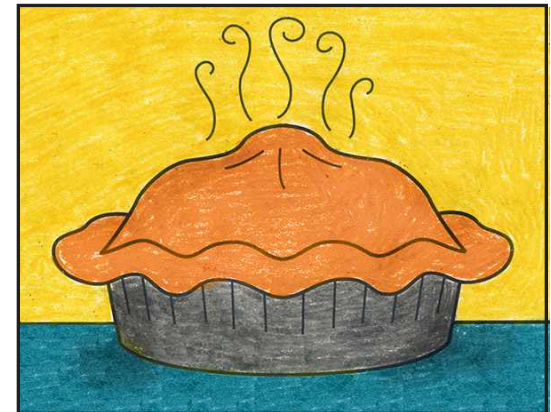

6. Finish the bottom wavy line of the crust.

7. Draw the slits in the crust and the table line.

8. Finish with the wavy steam lines.

9. Trace with a marker and color.
