

Draw a Winter Landscape

1. Draw the snow banks.

2. Space out 3 tree trunks.

3. Add branches to the left tree.

4. Add branches to the middle tree.

5. Add branches to the right tree.

6. Draw a moon.

7. Draw shadows that point to the moon.

8. Color the trees black and shadows gray.

9. Color the sky, leaving spots for snow.

Winter Landscape
