

Draw a Rat

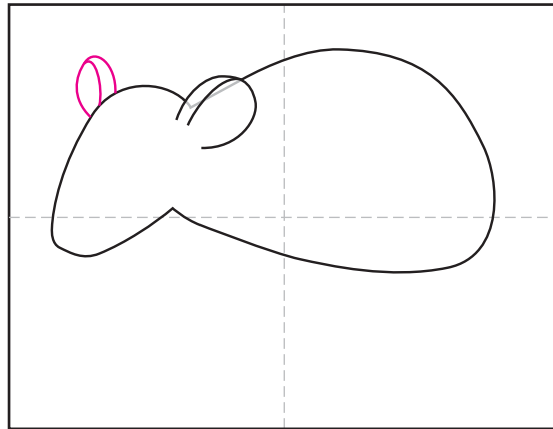

1. Start the body shape as shown.

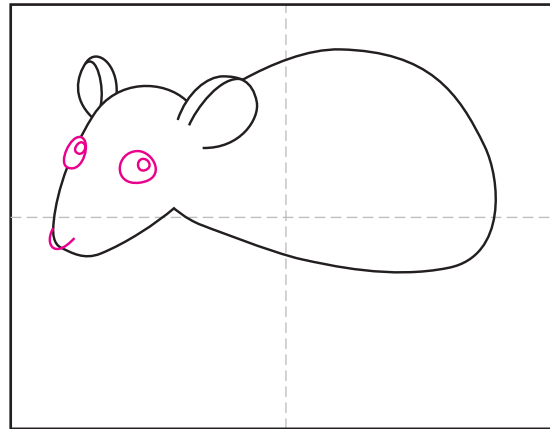

2. Extend the neck a bit and add the head.

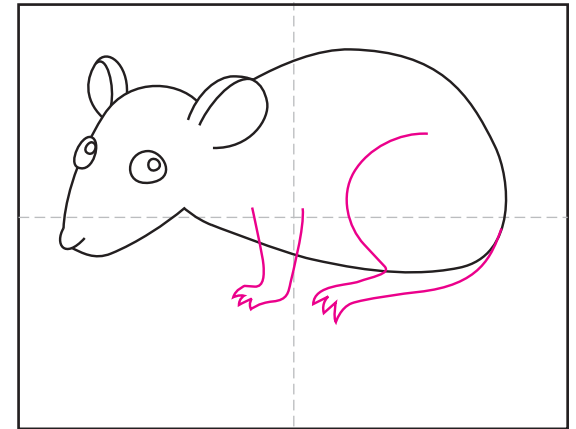

3. Draw the right ear as shown.

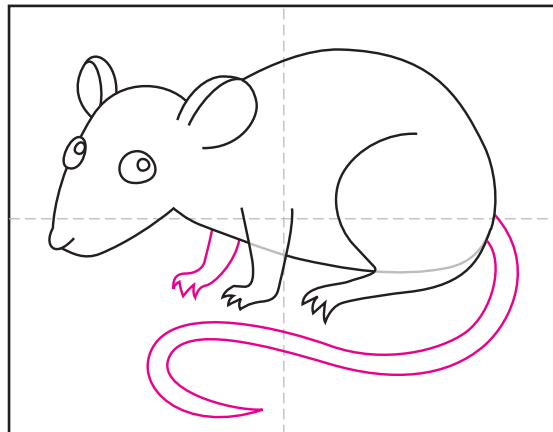

4. Erase the inside ear, and the other ear.

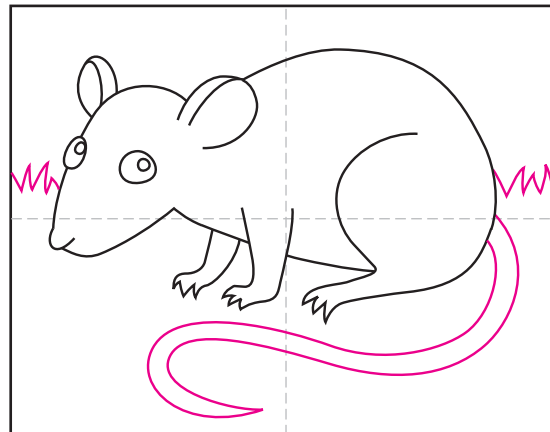

5. Draw two large eyes and a simple nose shape.

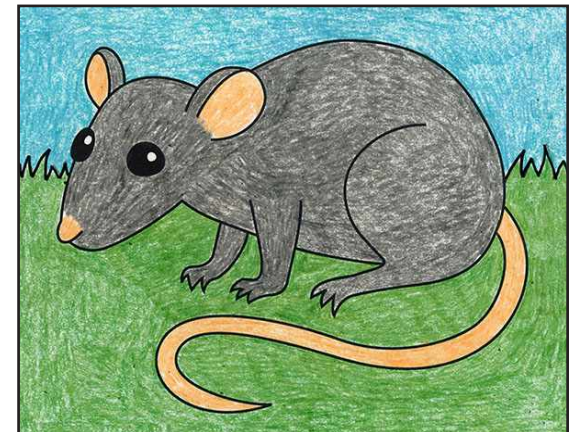

6. Draw the large back leg and a front one.

7. Erase inside legs, add leg on other side.

8. Draw the tail and add a grass line.

9. Trace the lines with a marker and color.
