

Draw the Taj Mahal

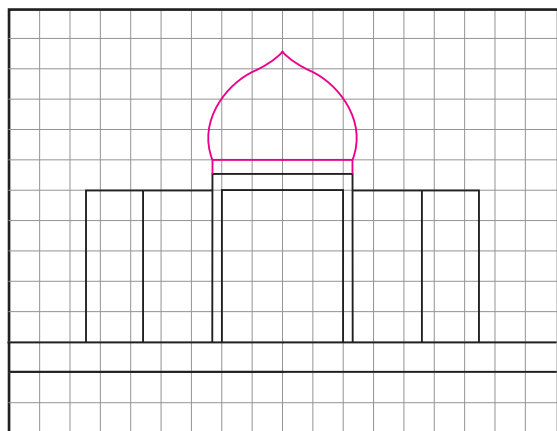

1. Draw bottom steps and a center rectangle.

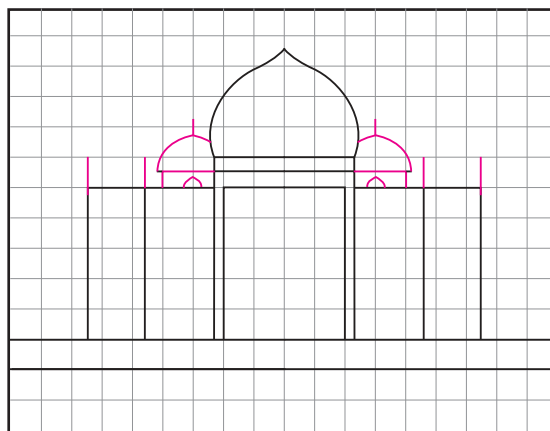

2. Add a slightly larger box around it.

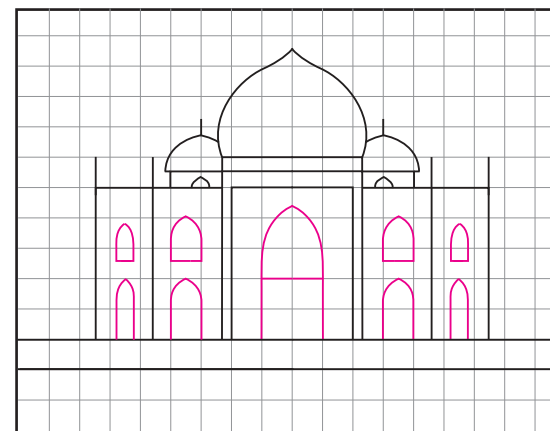

3. Draw the symmetrical side panels.

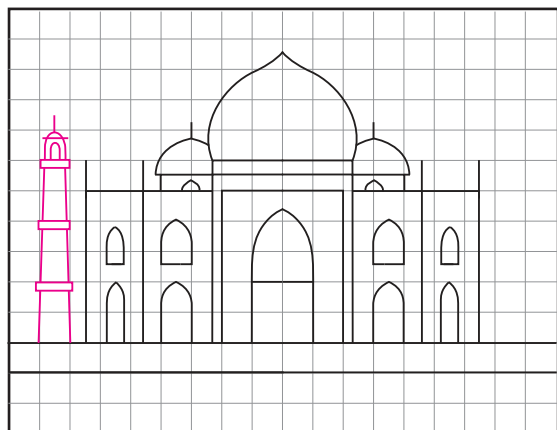

4. Add a cone top to the center.

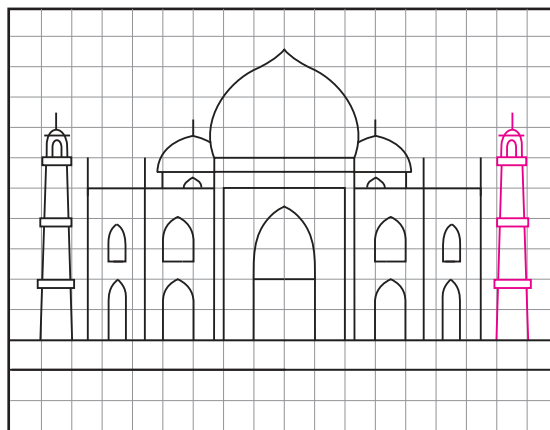

5. Add spires and smaller tops on the sides.

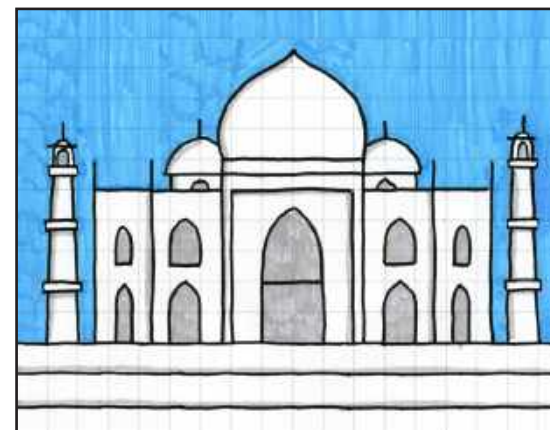

6. Draw all the window and door arches.

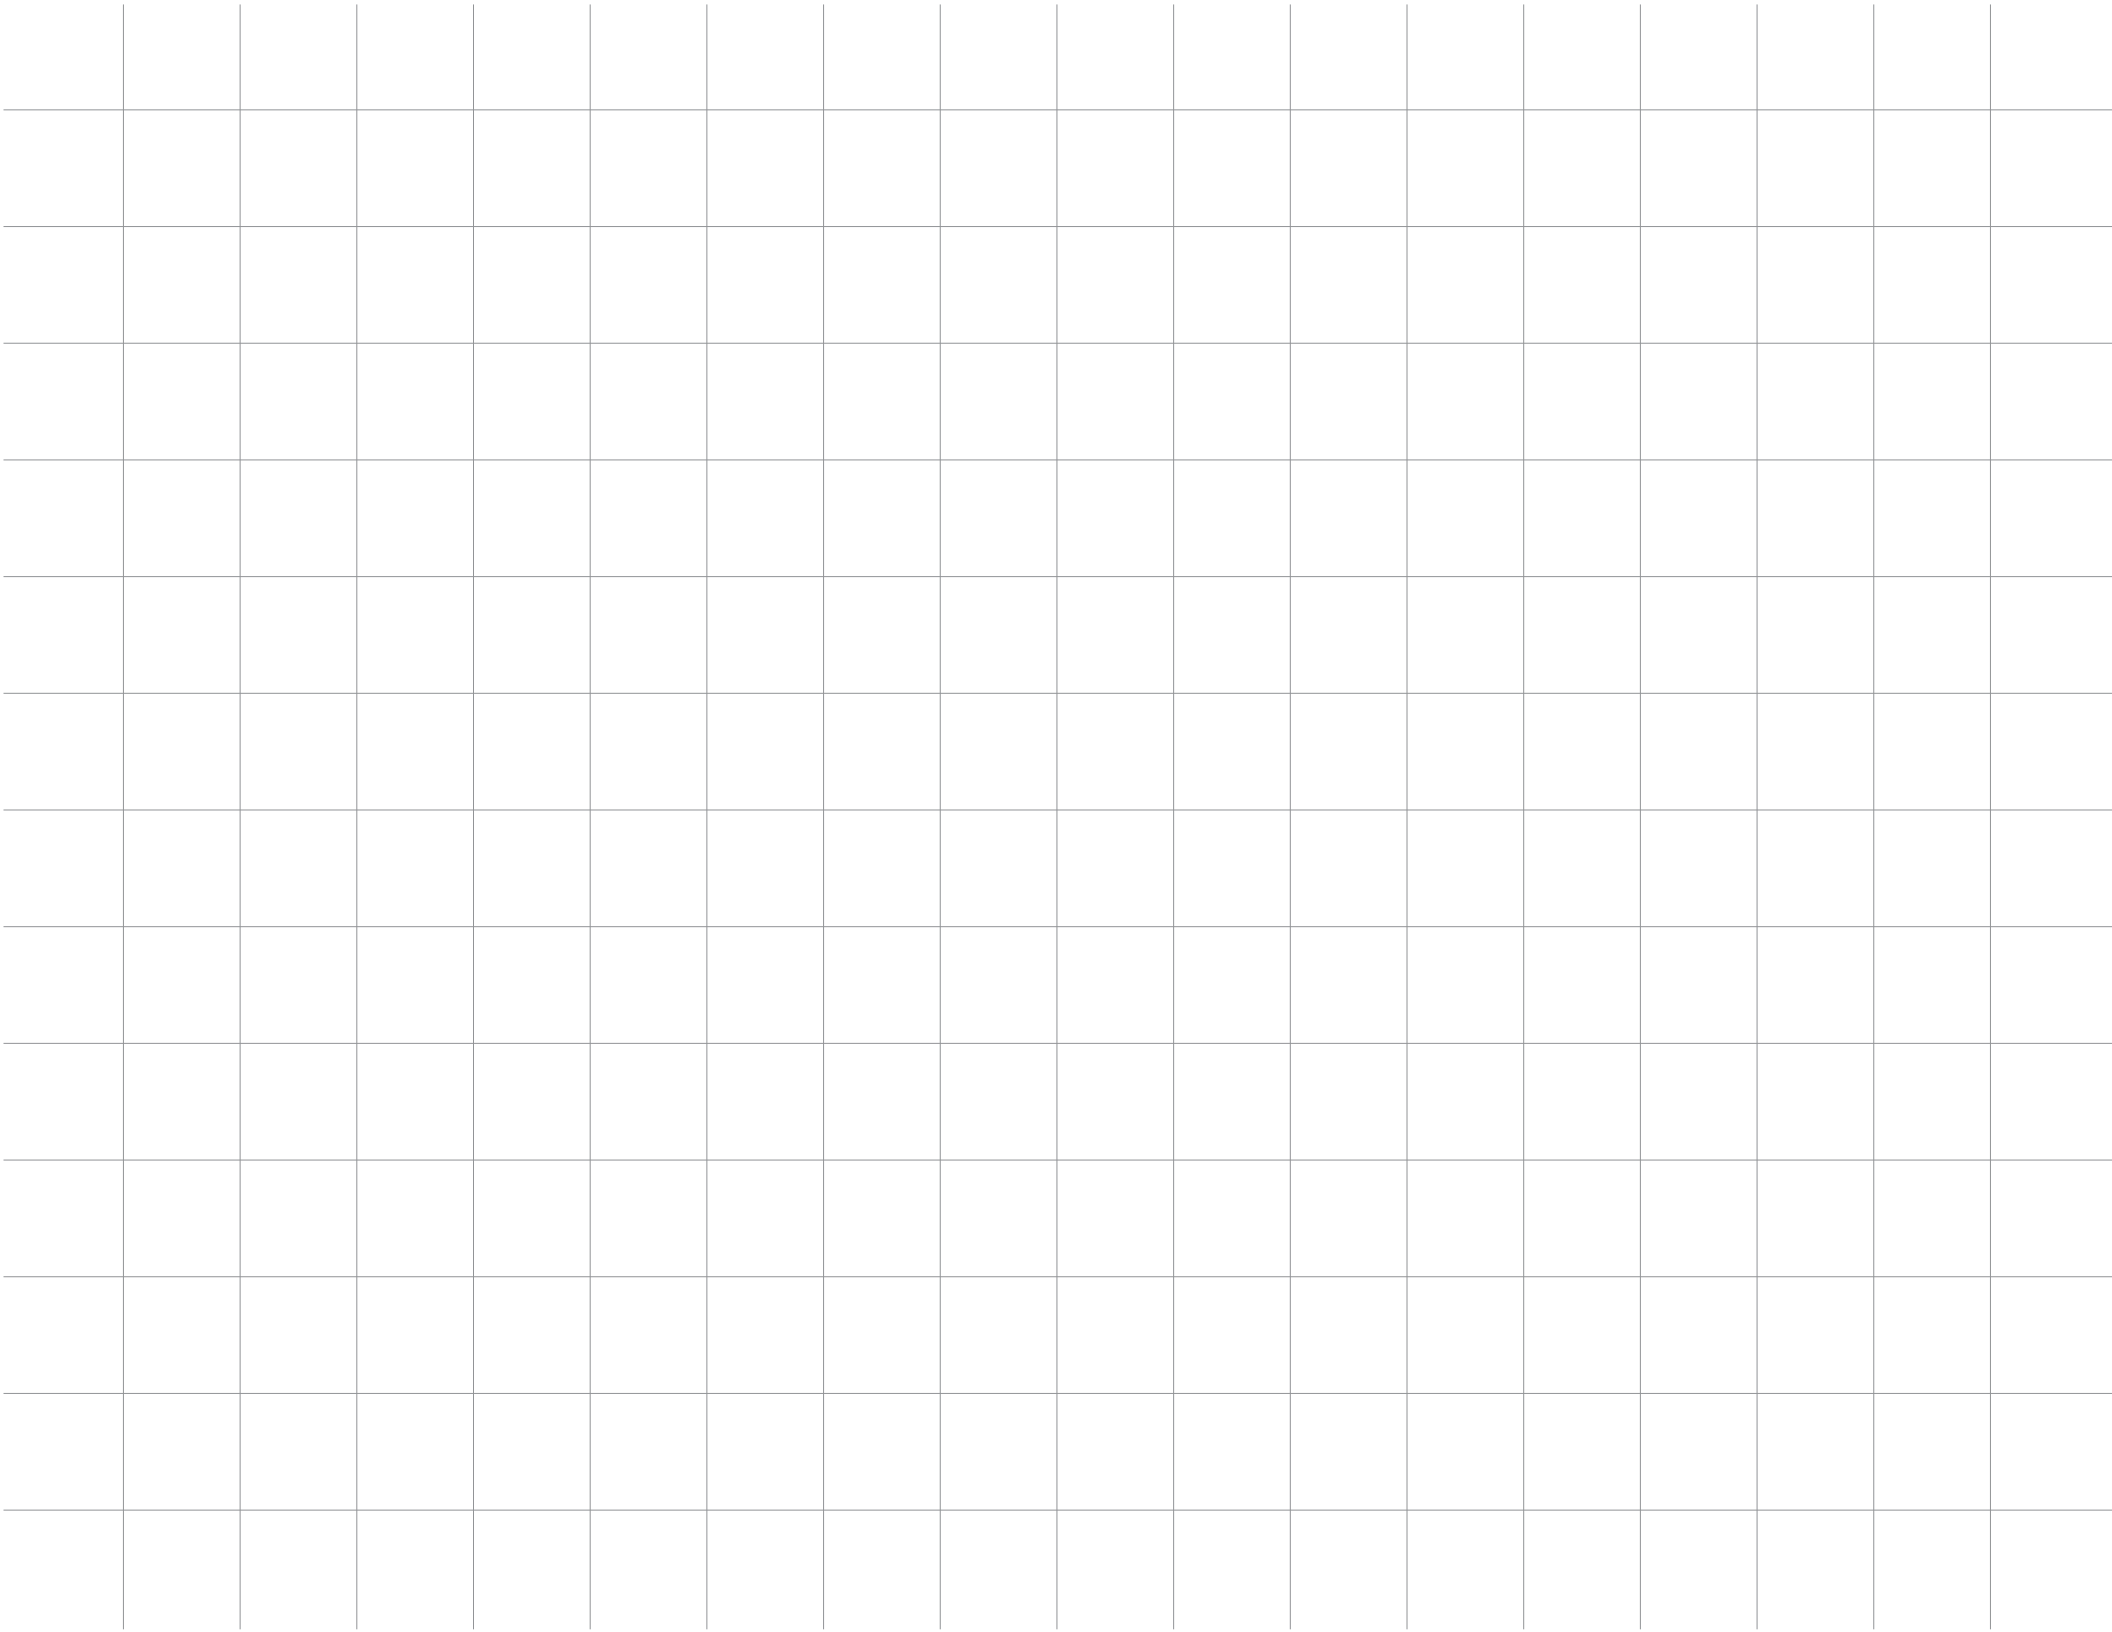

7. Draw the left tower.

8. Draw the right tower.

9. Trace with a black marker and color.

Taj Mahal
