

Draw an Easy Tiger

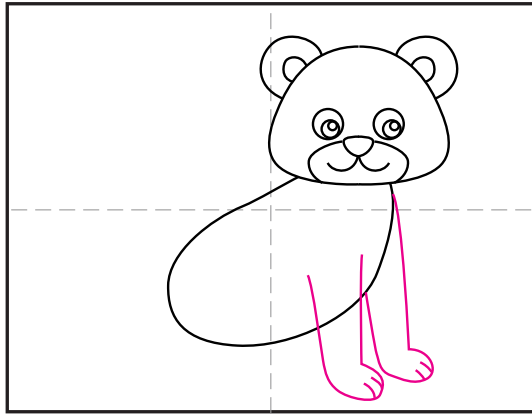

1. Start with a sideways oval for the body.

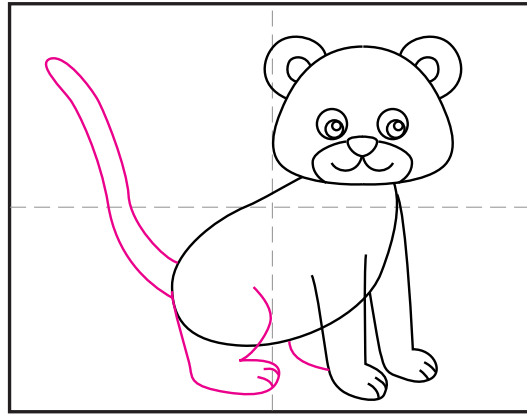

2. Add a round shape on top for the head.

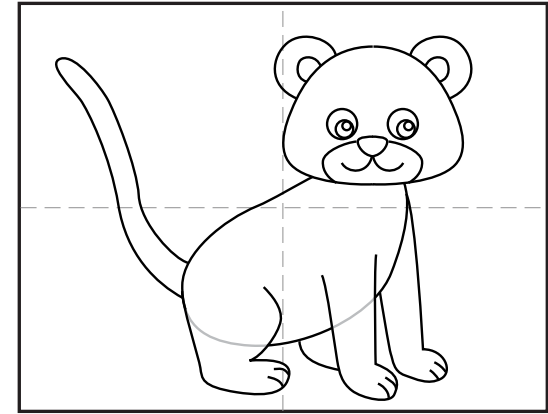

3. Add the face and ears to the head.

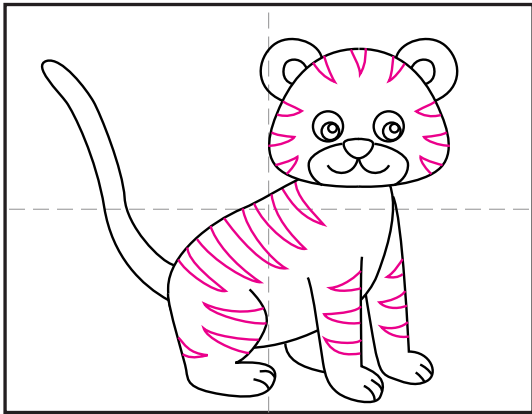

4. Draw the front two legs.

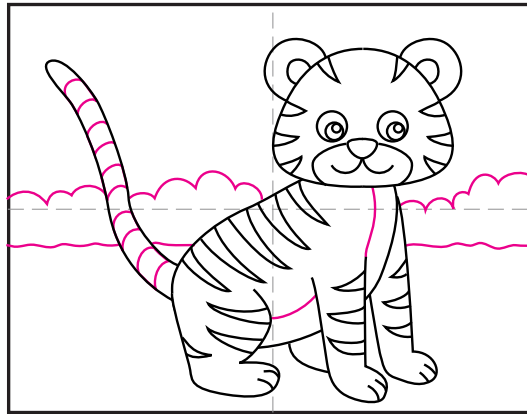

5. Add the back two legs and tail.

6. Erase the inside gray lines.

7. Add triangles to the body and face.

8. Draw the chest lines, tail stripes and bushes.

9. Trace with a marker and color.

Easy Tiger
