

How to Draw a Fishing Boat

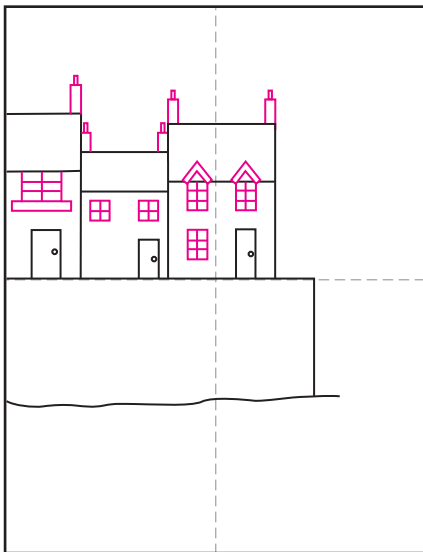

1. Draw a wall and water line.

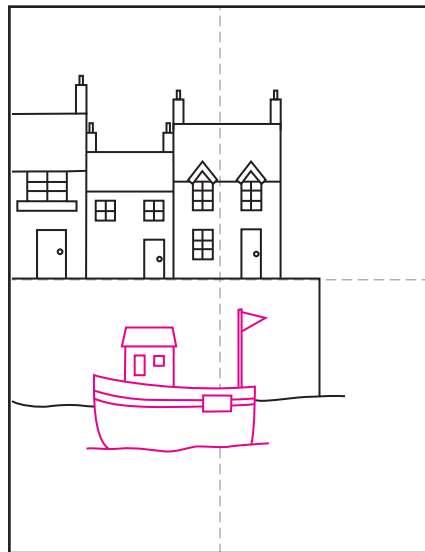

2. Draw three buildings on top.

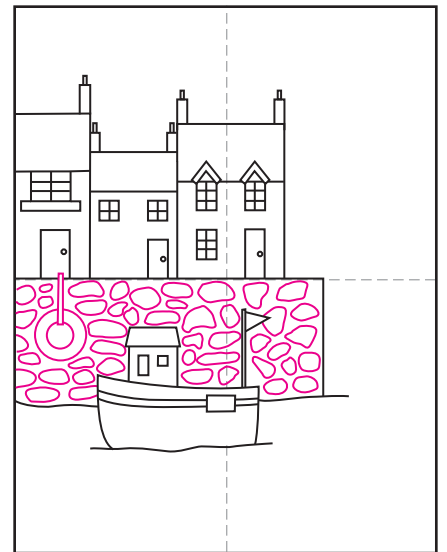

3. Add roof lines and doors.

4. Finish with windows and chimney.

5. Draw a boat in front of the wall.

6. Fill in the wall with rock shapes.

7. Add horizon and cloud lines.

8. Draw small boat and add birds.

9. Trace with black marker and fill in with markers or crayons.
